

N. Lenox Girl Scouts Entertain Mothers At Lovely Function

Troop 90 Girl Scouts, with their leaders, Mrs. Ernest Spann hake and Mrs. William Stoner entertained at a very lovely supper party for their mothers, in the Lions Den Friday evening May 15.

Upon their arrival at the party, each mother was presented with a flower. The dining room was decorated with many bouquets of mixed spring flowers and plants and with the Girl Scout colors of green and yellow. Supper was served at 6:30 a' one long table covered with white linen. An appropriate centerpiece was a miniature Girl Scout tent decorated with their emblems and badges, and surrounded with branches of lilacs tulips and narcissus. Several green lighted candles, alternated with small vases of lilac lined the center of the long table. Attractive, hand drawn and hand painted Girl Scout former place cards, and napkins found at each place.

Mrs. Spannhake, leader, gave a welcome to the mothers and Mrs. James Robertson responded. After the supper, the girls entertained with several vocal and musical selections. Prudy Rowe, accordion, Joanne Peterson, clarinet, and Joanne Peterson, horn, played solos and accompanied the girls with their numbers. Charades were played by the girls acting out five different television shows and prizes for the winners who guessed the shows were awarded to Mrs. James Robertson, Mrs. John Hasbar, Mrs. Eugene Anderson, Mrs. Len Anderson and Mrs. John Hasbar and Darlene; Mrs. F. N. Elliott and Joan; Mrs. William Heidrich and Norma; Mrs. Russell Lauffer and Alma; Mrs. William Pester and Eleanor; Mrs. Algot Peterson and Claudia; Mrs. James Robertson and Joanne; Mrs. O. V. Rowe and Prudy; Mrs. Art Kewswell and Evelyn; Mrs. Anthony Santerelli and Janet; Mrs. Lorser Sass and Cheryl; Mrs. Walter Sayers and JoAnn; and Marilyn Sayers, whose mother Mrs. Willard Sayers was unable to be present because of illness.

Mothers and daughters present were: Mrs. Pat Anderson and Barbara; Mrs. Eugene Anderson and Betty; Mrs. Len Anderson and Dotte Jean; Mrs. John Hasbar and Darlene; Mrs. F. N. Elliott and Joan; Mrs. William Heidrich and Norma; Mrs. Russell Lauffer and Alma; Mrs. William Pester and Eleanor; Mrs. Algot Peterson and Claudia; Mrs. James Robertson and Joanne; Mrs. O. V. Rowe and Prudy; Mrs. Art Kewswell and Evelyn; Mrs. Anthony Santerelli and Janet; Mrs. Lorser Sass and Cheryl; Mrs. Walter Sayers and JoAnn; and Marilyn Sayers, whose mother Mrs. Willard Sayers was unable to be present because of illness.

N. LENOX LBR. ANNIV. BRINGS RECORD CROWD

The 25th anniversary of the New Lenox Lumber Co. held at their place in New Lenox and their branch office and yards in Mokena exceeded the fondest dreams of the proprietors for attendance. Around 3500 called at the New Lenox establishment, and around 1500 at Mokena. Even though it was raining a great deal over Saturday and Sunday, the weather in no way succeeded in dampening the enthusiasm of the visitors or preventing people from attending this delightful affair.

Twenty-two large baskets of flowers were sent to the two offices by supply houses and friends. Two beautiful cakes were at each place. The cake at New Lenox was six feet long by three and one half feet wide and weighed 150 pounds. Both cakes were baked by the New Lenox bakery. The cake at Mokena was not quite as large, but was, nevertheless, a mighty big cake. By the time of the last serving at New Lenox Sunday every bit of the cakes had disappeared. They also served hot coffee and orangeade at both places. Souvenirs and balloons were handed out to the children.

Those who went through the model house at New Lenox which was built by the New Lenox Lumber and Hardware Co., received keys to a treasure chest which they tried to open. If the keys fit the chest they received a prize. Twelve winners received from \$1 to \$5.

Frankfort Sport Club to Hold Fish Fry Friday, May 22

The Frankfort Sportsmen club will hold a fish fry Friday, May 22, starting at 6 p. m. in Frankfort Grove, a mile north of Route 30 on Route 45.

The sponsors announce there will be plenty of fish, potato chips, cole slaw, bread and coffee. Following the meal, free moving pictures will be shown on hunting and fishing. Prizes will be awarded.

The proceeds will be used to help improve Lake Will at Wilmington, the lake which the Will County Sportsmen's club has created. Everyone is cordially invited to attend and enjoy a pleasant evening.

CIVIC ASSN. REVISES BY-LAWS FOR PARK

The task force working on the drive for funds for the Mokena community recreation park reports that many individuals and organizations are giving their unqualified support. The foresight shown in buying the partly wooded 25 acre site on LaPorte road has won the approval of 18 organizations in the Mokena area.

With a very small outlay the park can be made available immediately for little league baseball, softball, Boy and Girl Scouts activities and a picnic area. The simple improvements necessary will not call for continual supervision, park rules similar to forest preserve regulations can be enforced and proper use of the park controlled by a gate at the only entrance to the park. The entrance is located on LaPorte road.

All donations are being held in a park fund. On Tuesday night at a meeting of the Civic association, which is sponsoring the project, a revision of their by-laws was made, to have the park funds completely under the control of a park board, composed of representatives of local groups. The value of getting a suitable park place while the land is still available is well illustrated by the forest preserve areas of Will and Cook counties. The residents of this community would be fortunate to preserve of their own and not have to cope with the crowded condition of the county recreation spots.

Several individuals have been very generous in their donations to insure the purchase of the park site and the following organizations have endorsed the public spirited program and given their support to it: Lions club, St. John's Youth Fellowship, Mokena PTA, Village Players Wayfarers and auxiliary, Royal Neighbors, Mokena Book Club, St. John's Woman's Guild, St. John's Church Council, St. Mary's League of the Sacred Heart, Holy Name Society of St. Mary's, Five Star Amvets, Methodist Woman's Society of Christian Service, Explorers' troop 40, Boy Scouts troop 49 and the Girl Scouts.

Betty Lou Anderson Weds B. Welter In Colorful Rites

St. Dennis church, Lockport was the scene of a lovely spring wedding Saturday afternoon May 16, at 2:30, when Betty Lou Anderson, daughter of Mr. and Mrs. Robert Anderson of Tinley Park, and Bernard N. Welter, son of Mr. and Mrs. Barney L. Welter of Homer township were united in marriage in a double ring ceremony by the Rev. Father Mullan, pastor of the church.

Preceding and during the ceremony, a program of appropriate vocal and organ music was beautifully rendered. The altar was tastefully adorned with lilies of the valley and ferns. Miss Margaret Welter was the maid of honor and Mrs. Marion Anderson the bride's maid. Charles Adelman served his friend as best man and Robert Anderson as groom's man. Andrew Welter and Clinton Anderson, uncles of the bride couple, were ushers.

The bride was lovely in a gown of white satin with lace bodice, finger tip veil and full length train. The attendants wore dresses of blue nylon net over satin. The bride's bouquet was of lily of the valley centered with an orchid. Miss Welter and Mrs. Anderson carried pink carnations. The bride's mother was dressed in a gown of blue lace and wore a corsage of red roses, while Mrs. Barney Welter chose a blue suit dress with black accessories and corsage of red roses.

An interesting item was the fact that the groom's two grand mothers, Mrs. Rose Weiler of Lemont and Mrs. Anna Welter of Homer were present; each wore a pink corsage as did the groom's young sister, Miss June.

A bridal supper was served at Schrage's to 24 guests which included the bridal party, the immediate families and Rev. Mullan.

Approximately 350 guests were present at the reception at the Gooding's Grove hall Saturday evening. Besides Homer people, guests came from Tinley Park, Orland Park, Lockport, Joliet, Chicago, Mokena, New Lenox, Lemont, Twin Lakes, West Point, Neb. and Wisconsin.

When they left for a short honeymoon, the new Mrs. Welter was wearing a blue suit with pink corsage. Upon their return they will reside in the Eugene Daum apartment until their new home is completed.

Mr. Welter is engaged in farming with his father.

BAKERY SALE

The Ruth Society of Immanuel Lutheran church will sponsor a bakery sale at Dunham's hardware store, Saturday afternoon May 23, starting at 1 p.m.

Mokena Graduation Exercises To Be Held Wed. May 27

The Mokena public school annual commencement will be held next Wednesday evening, May 27, at 8 o'clock, in the school auditorium. Rev. Ronald Hartung, pastor of the Mokena Methodist church, will give the invocation and benediction. The speaker will be Prof. W. E. McCleery, superintendent of the East Aurora high school at Aurora, and former principal of the Mokena school. He was here from 1930 to 1933. His talk will be on "Unchanging Values of This Changing World."

Mrs. Elizabeth Cappel will present the class. Their motto is: "We learn not for school, but for life."

Those graduating are: Patricia Ann Boleman, Jacqueline Bearby, Owen Bosard, Virginia Collins, John H. Duer, Caroline Dorothy Holm, Barbara Johnson Shirley Kite, Ronald R. Knakmuhls, Shirley E. Kule, Joan La Verne Larimore, William James Noble, Kenneth E. Oldendorf, Jacqueline Dorothy McGinnis, Randall W. Potter, Jeanne I. Schiek, Joan Marie Schulz, Mary Ellen Stahl, Joan Elaine Teague, and Doris Mae Yunker.

Youngest Bowler In New Lenox Honored At Dinner Party

Joan Elliott

"Bowling is fun for young and old," says Joan Elliott, daughter of Mr. and Mrs. Noel Elliott of New Lenox. Joan started bowling with a junior ball and in six weeks adopted the league ball. This is quite unusual for Joan is only 10 years old. She bowled the season with the Monday Night League late shift at Bright Lanes, New Lenox.

The team Joan played with had to play off for trophies. Her team lost by only two pins. Joan learned to take a win or lose as a good bowler does.

In consideration of her being the youngest bowler in the league and for being a good loser as well, Joan was given a trophy by the Bright Lanes at their closing season dinner held in the Methodist church in New Lenox on May 4.

Joan is in the 5th grade, and is the youngest bowler in New Lenox. Her father is proprietor of the drug store there.

Willa Oetter of Peotone to Marry Lincoln Veteran

Mr. and Mrs. Richard Oetter of Peotone are announcing the engagement and approaching marriage of their eldest daughter, Willa Juanita, to Mr. Arthur J. Ward III, son of Mr. and Mrs. Arthur J. Ward of Lincoln, Ill. The couple will be married June 6 at 4 p. m. in St. Patrick's Catholic church, Wilton Center. A reception will be held immediately following in the American Legion home in Peotone. Although invitations have been sent, all friends and relatives are invited to attend both the ceremony and reception.

Miss Oetter is a graduate of the Peotone Community high school and attended Ill. State Normal university for three years. For the past five years she has been teaching in the Frankfort and Peotone grade schools.

Mr. Ward, a graduate of Lincoln High school, is also a graduate of St. Bede's college at Peru. At present he is a senior student at Ill. State Normal. Mr. Ward was recently discharged after serving two years in the United States Army, spending 6 months of that time in Alaska.

TAKES OVER CHEVROLET FRANCHISE

Saturday, May 16, Robert C. (Bob) Trump commenced operation of the Chevrolet franchise covering Frankfort, Mokena, New Lenox and surrounding territory, taking over the automotive part of the business formerly operated by Frankfort Motor and Equipment Co., under the management of Walter Haas, who died several months ago.

The new firm, known as Trump Chevrolet Sales, will occupy the same building in which the Frankfort Motor and Equipment Co. served this area for so many years. Fred Heuser of Frankfort, who has helped in the past management of the Frankfort Motor & Equipment Co. will continue to work with Mr. Trump in the new business which will be confined to Chevrolet cars and trucks and repairing and servicing.

The Frankfort Motor & Equipment Co. was started in 1912 at Chevrolet dealer by Adam and Fred Heuser, and Ben Mager the latter now deceased. It was started in the old Stephens machine shop, north of the tracks in town. A few years later they bought the Folker livery barn moving from the Stephens building to this barn, where they have since been doing business. Eight years ago they did quite an extensive remodeling job converting the premises into a fine showroom and repair shop. In 1949 the business was sold to Walter Haas.

The new owner bought the business from Mrs. Walter Haas after the death of her husband. Mrs. Haas wishes to thank everyone for their past patronage and hopes that the people of this area will extend to Mr. Trump the same friendly patronage Mr. Haas enjoyed while operating the business.

Mr. Trump comes to this community from Lowell, Ind. where for several years he has worked with Cullen Chevrolet Sales. In addition to his knowledge of the automotive business he brings a wide background of general business experience.

Bob is a veteran of World War II, a past commander of the American Legion Post 101, Lowell, a member of VFW Post 6842, of the same town, and has a keen interest in community betterment.

"It is a pleasure and honor to be selected by Chevrolet to operate the franchise in this community," said Bob. "We will offer guaranteed service work of the highest caliber to truck and car owners. Our creed will be 'quality always', regardless of the money involved."

Mr. Trump plans a formal opening day, and will announce it at a later date.

Ray Bell Weds Berwyn Girl

Miss Charlotte Sedlacek, daughter of Mr. and Mrs. Charles Sedlacek, 3119 S. Clarence ave. Berwyn, became the bride of Ray Bell, son of Mr. and Mrs. Leo Seniff, on Saturday afternoon, May 16. The double ring ceremony was performed by Rev. Bremicker in the Presbyterian church of Berwyn.

The bride, who was given in marriage by her father, wore a ballerina length gown of white rayon and nylon net. Her veil was held in place by a tiny bonnet. She wore a pearl necklace with matching ear rings. Her bouquet was a white orchid, surrounded by white roses and lilies of the valley.

The maid of honor was Miss Shirley Bell, sister of the groom. She wore a ballerina length gown of yellow net. Her colonial bouquet was of yellow carnations.

Frank Sedlacek, brother of the bride served as best man. The bride's mother wore a gown of duobonnet lace, and the groom's mother wore a gown of pink net, both had an orchid corsage.

Following the ceremony a reception for members of the immediate families was held at the Old Prague in Cicero.

The bride was wearing a salmon suit when they left on their short honeymoon trip. The newlyweds will reside temporarily with his parents as the groom expects to go in service soon.

Memorial Services In Marley-Homer Church May 24th

Rev. Herschel Aseltine will be the speaker in the Marley-Homer memorial services to be held in Homer church Sunday evening, May 24. There will be special musical numbers appropriate to the season. Services will start at 8 o'clock.

On the following Sunday, May 31, at 2 p. m. a program will be given at Barnett cemetery.

Brooks Cemetery Association will hold the annual meeting and a program at the cemetery on the afternoon of Decoration Day.

TRY TO RAISE \$800,000 FOR EDUCATION'L TV

A campaign to raise \$800,000 for Channel 11 was launched last week in the Chicago area under the chairmanship of Edward L. Ryerson, chairman of the executive committee of the Inland Steel Co.

Channel 11 has been reserved until June 2 by the Federal Communications Commission for educational telecasting. After that date, if sufficient funds are not raised, the channel may be open to bids from commercial sponsors.

Mr. Ryerson announced that technical experts have been at work to set up a tentative program schedule and budget for the station. It is estimated, Mr. Ryerson said, that the station will be on the air five hours a week, Monday thru Saturday reaching a potential audience of five to six million viewers.

Dr. Retalliat has declared: "It is a fact that, in just a few years, commercial television is coming to the 'doldrums' stage of public interest that earlier began to plague commercial radio and the motion picture operators."

"Fresh ideas and new material are already needed," he added "to forestall a shrinking TV audience. Educational institutions will have more opportunity, and will be able to dare to gamble on the development of program innovations that should be the means to constantly renew the attention of the television fan."

Persons interested in assisting in this drive for funds are asked to call the Chicago Educational Television Association at Financial 6-5230. Contributions may be sent to: Channel 11 Headquarters, Box 1100, Chicago 90, Ill.

In Tinley Park, contributions are being received by W. F. Fierke, chairman of the Tinley Park chapter, Channel 11. A group of volunteers prepared a mailing of literature which included an envelope. Persons in the Tinley Park area are requested to mail their contributions before May 29th so that the funds may be remitted to the Chicago headquarters on June 1st.

Early returns indicate many people are interested in Channel 11 and are mailing contributions daily. It is the hope of the Committee that everyone in the community will make a contribution to this important step in bringing good television programs to all homes.

POPPY DAY IN FRANKFORT IS SAT. MAY 23

Every year, for one day just prior to Memorial Day, millions of Americans will be seen wearing little red poppies which have been purchased from some American Legion Auxiliary member or her friends. This year, that day will be Friday May 22nd, and Saturday May 23 in Frankfort, according to Mrs. Betty Bixler, president of Bobz-Swinford unit 1098 of the American Legion Auxiliary.

Gladius Schinkowski, unit chairman of the Poppy committee has gathered together all the available members and their friends and neighbors, to sell these little red flowers on the streets of Frankfort, to the public, who are asked to "Remember and honor the dead, and aid the living." Funds realized from the sale of poppies, are used by the Auxiliary Units for service work in the 29 hospitals in the State of Illinois, where veterans are hospitalized, and for aid to the handicapped and needy veteran and his family at home.

Veterans who make these poppies, are paid for their work by the Legion, and through the small financial gain realized contributes to the support of their families. This also tends to bring hope and happiness to them in the knowledge that they are being helpful to their loved ones and themselves. The work itself is valuable as occupational therapy.

A poppy poster contest is being conducted by the state department of the Auxiliary for grammar and high school students. Frankfort Unit 1098 will enter one poster in this contest made by Phyllis Steubens, of the Frankfort public schools.

The state of Illinois conducted its first poppy sale in 1923, and continued to do so these past thirty years. Last year 2,362,652 poppies were sold, and this year the Illinois quota has been set at 3,200,350 poppies.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Thos. H. Hedge of Frankfort announce the engagement of their daughter, Eileen to Mr. Norman Olson, son of Mr. and Mrs. Walter J. Olson of Mokena. No date has been set for the wedding.

Orland Students Receive Instruction Once a Week in Safe, Efficient Driving

These Orland-Palos high school students will soon be expert drivers. They receive both classroom and behind-the-wheel instructions once a week.

FRANKF'T GIRL WINS IN STATE ART CONTEST

Phyllis Jane Stevens, 13, of Frankfort was a winner in the State of Illinois art contest which was sponsored by the Illinois Federation of Women's clubs art department.

The contest was open only to 7th and 8th grade pupils. There were two classes in the contest. Class A, individual paintings from schools with regular art instruction, and Class B, individual paintings without regular art instruction. Phyllis' picture was entered in Class B.

The subjects which she had to choose from were "Fun With My Family" or "How People Enjoy Springtime in My Community." Phyllis chose the latter subject. The drawing was done in chalk pastel, and had to be a specific size, and mounted.

Phyllis won the county district judging, and then her picture went to the convention of the Illinois Women's Clubs at a Hotel Sherman where it was subjected to the final judging.

Phyllis was one of nine winners in Class B. She won a large rural scene water color picture which is to be presented to her Frankfort grade school. This painting was done by Mrs. Mary Parker, who studied four years at McMurray college Jacksonville, Fla. one summer at the Art Institute in Chicago. She also studied under Grant Wood, Fletcher Martin and Philip Guston, all nationally famous artists. In 1948 she went to New York and specialized in water color and metal work at Columbia university.

Presentation of the picture to the school will be made soon.

Mokena Students Visit Tinley Dairy, Field Museum

Last Friday the first grade pupils of Mokena's public school enjoyed their annual educational tour last Friday. They went by automobile and inspected the Tinley Park-Blue Island dairy at Tinley Park. The teacher who accompanied them was Mrs. Minnie Pester, teacher of first grade. Mothers who furnished their cars and drove were Mrs. Norval Robinson, Mrs. W. A. Muehler, Mrs. Wilbur Teske, Mrs. George Dath and Mrs. Russell Anderson.

The children enjoyed their trip very much. They saw how milk was brought in by big trucks, processed and bottled. They were each given a bottle of chocolate milk.

The second, third and fourth grades of the same school went by bus last Friday to the Field Museum of Natural History, in Grant Park, Chicago. Teachers who accompanied them were Mrs. Joy Leedom and Mrs. Phyllis Renfro. Mothers accompanying were Mrs. Donald Ambuehl, Mrs. Philip Hacker, Mrs. Gus Long, Mrs. Walter Yunker, Mrs. Arnold Christensen and Mrs. Edwin Yunker. The children took nosebag lunches along which they ate in the bus. All enjoyed the trip immensely.

St. John Women Give Rummage Sale

The Woman's Club of St. John's church in Mokena will sponsor a rummage sale to be held in the church basement next Tuesday, May 26. The sale will start at 10 o'clock and all articles not sold by 12:30 will be held. The clothing sale will start at 10 o'clock, and an auction sale will start at 12:30.

Donations of dishes, clothing furniture etc. can be brought to the church basement any time Monday or Tuesday morning. The committee in charge is: Mrs. Peter Mancke, chairman Mrs. Amanda Schults, Mrs. Gordon Doctor and Mrs. Everett Creer. They announced that donations of dishes and clothing can be brought to the church basement.

Coffee and doughnuts will be served.

A group of students at the Orland-Palos High school are receiving classroom instructions once a week and behind-the-wheel instructions also once a week. Their instructor is Bill Adams of the school faculty.

Mr. Adams teaches each of his students to operate a motor vehicle with greater safety, efficiency and pleasure. He hopes to instill in all his trainees a sense of civic responsibility in regard to driving motor vehicles. The course is offered to the upper classes at the school who study the rules of the road and occasionally view films on all phases of driving.

One of the objectives of the course is to give all students specialized information relating to the operation of a motor vehicle.

'It Happens In The Best of Families'

Ray's Midwest Supermarket's Third Birthday celebration sale is continuing this week, for three days, Thursday, Friday, and Saturday, May 21, 22 and 23. Unfortunately, last week's full page ad in this paper, through an error, scheduled the sale for Thursday, Friday and Saturday April 21, 22, and 23.

April, of course, is history, and the 21st, 22nd and 23rd of April were different days of the week than those listed in the advertisement. Although this error was confusing, it is believed that everybody was sharp enough to realize that a mistake was made in the month, which should have been stated as May, instead of April.

Pacific Mission's Work Shown in Fine Color Film

The story of a drunkard who came back from Skid Row is told in the dramatic sound and color film, "Out of the Night" to be shown Sunday, May 24, at 7:30 p.m. in the Orland Park Methodist church.

The 30 minute picture sponsored by Pacific Garden mission, uses a hard hitting documentary technique to show the mission's work among the outcasts of Chicago's South State street.

Actual case histories from the mission files are used in the plot of "Out of the Night", filmed by Cavalcade Productions, Park Ridge.

Pacific Garden mission is the second oldest mission in the United States, and is noted as the spiritual birthplace of Billy Sunday, famous evangelist of a generation ago.

More than 107,000 meals were served at the mission during the last year, and more than 31,000 homeless men received free lodging.

In addition, some 32,000 G.I.'s visited the Servicemen's Center operated by the mission. A women's division is also a feature of the mission's ministry on Skid Row; more than 6,000 meals were served and over 2,000 received lodging there.

New Lenox Public School to Hold Graduation May 29

Graduation exercises for the New Lenox public school will be held in the Haven school Friday, May 29 at eight p.m.

Mr. L. O. Reedy, supervisor of engineering of the Caterpillar Tractor company will give the commencement address.

The class consists of twenty-six members. James Anderson, Stanley Bruns, Lloyd Dodds, Janet Feil, Judith Feil, Phyllis Finley, Janet Fitzer, Leslie Gullickson, Virgil Hammond, Marna Harnack, Eric Johnson, Dear Klasing, Wayne Mangun Gailyn McCoy, Todd Minuth, Jane Oram, Darrell Peterson, Gloria Peterson, Thomas Rowsell, Laurence Sims, JoAnn Smithson, LaVerne Ulrich, Edwardine Washner, JoAnn Wennlund, Betty Wright and Sandra Zarse.

BAKESALE

The PTA of the Frankfort public school will sponsor a bake sale in the Frankfort Motor and Equipment garage Saturday, May 23 starting at 2 o'clock. A nice supply of home made bakery goods will be on sale.

Bonnie Rae was the name given the infant daughter of Mr. and Mrs. Earl Schroeder, at the christening service held Sunday afternoon at 3 o'clock in their home. Rev. Leonard Reinke of the Trinity Lutheran church officiated. Sponsors were Mr. and Mrs. John Treadman of Joliet. A dinner was served at four o'clock for the sponsors and Rev. and Mrs. Reinke.

Girl Scout leaders from New Lenox and Manhattan met again Monday with Camp Director Mrs. O. V. Rowe for a camp training course at the local camp grounds.

Mrs. Louis Tovrog who has lived in New Lenox for several years will take over the New Lenox Bakery on June 1, where she will continue handling bakery goods, and also a complete line of diabetic products. Mr. and Mrs. Joseph Lewandowski who opened the bakery here will keep their home in New Lenox, but are moving their bakery business to Joliet.

Mrs. Ernest Spannhake, Girl Scout leader of troop 90 was the guest speaker at the Fly Up ceremony held in Frankfort hall Saturday afternoon for intermediate and Brownie troops. She talked on the school and home life of girls intermediate age in Germany, and answered questions asked by the girls and their mothers. Mrs. Spannhake came to America four years ago from Berlin, Germany. She also pinned the World pins on girls of two newly organized troops of Frankfort.

The Bluebird 4H club met May 16 at the home of Lois Sluiter. Diane McCleary had charge of the meeting. Sewing and cooking, cakes and salad books were given to the girls. Plans were made for a hayrack ride for June 5th, and also for a slumber party to be held in the near future. Refreshments were served by Lois Sluiter, Sara Schlotterer, and Marge To-many.—Prudy Rowe, reporter.

Members of the seventh grade class of the Haven school enjoyed their end of school trip to

the Museum of Science and Industry last Thursday.

Mr. and Mrs. Joseph Ingram spent the weekend in Holland Mich. where they attended the annual Tulip festival. They also visited with relatives and friends.

This Friday, May 22, members of the eighth grade graduating class will leave by bus on a trip to Springfield and New Salem. They will spend the night at Hannibal, Mo. and on Saturday visit the spots of Mark Twain interest, and return home Saturday night. The members of the class have worked thru out the year at various money-making projects to earn money to pay for this trip.

Members of the sixth grade class with their teacher, Mrs. Helen Holt are enjoying the end of school trip today Thursday, at the Museum of Science and Industry in Chicago. The group went by bus, accompanied by a few of the mothers.

Howard Speuhler of Panama City, Fla. is visiting here with relatives and friends. He is staying with Mr. and Mrs. John Conover.

Mr. and Mrs. Roy Pfeiffer entertained in their home Monday afternoon at a party honoring the 7th birthday anniversary of their son Dennis. Games were played and prizes were awarded, and many nice gifts were presented to Dennis. Refreshments were served at one long table in the recreation room that was centered with a decorated birthday cake. Favors decorated each place. Guests present were: Dawn McCleary, Linda Hauck, Barbara Loebe, Susan Hardy, Clare Chapman, Nancy Steinberg, Bobby Fitzer, Bobby Kerr, Harold Kammerer, Billy Wennlund, Dennis Vally, Jimmy and Jerry Jensen, and Barry and Denny Pfeiffer.

Mr. and Mrs. Warren Mancke and children Jeanne and Dale of Tinley Park were supper guests Sunday of Mr. and Mrs. Erwin Yunker and family.

Mr. and Mrs. Charles Kerr entertained in their home Saturday afternoon honoring the 7th birthday anniversary of their son Bobby Kerr. Games were played and prizes won by: Paulette Anderson, June Patmore, Ralph Scott, Barbara Loebe, Larry Van Buskirk, Billy Wennlund and Dennis Pfeiffer. Many nice gifts were presented to the guest of honor. Refreshments were served at two tables that were centered with decorated birthday cakes, and Space Cadet favors decorated each guests place. Those attending were: Larry Van Buskirk, Joe Wajchert, Dick Konopack, Bobby Fitzer, Denny Pfeiffer, Harold Kammerer, Billy Wennlund, Ralph Scott (June Ann and Chuckie Patmore of Joliet), Paulette Anderson, Barbara Loebe and Allen Walsh.

Approximately 30 women are planning on taking the bus trip to Lombard, Friday morning May 22. The bus will leave the Methodist church at 10 a.m. The trip is being sponsored by the WSCS of the church. Beside the drive to Lombard to view the Lilacs, they also plan to visit the Morton Arboretum.

Mrs. Edith Sayers has been quite ill in her home the past several days.

Girl Scout troop 98 met at the home of Miss Betty Hunt Friday night. After routine reports were given the girls worked on outdoor badge projects. There was a discussion on camping and literature on same were distributed. Refreshments were served by Karen Gillette and Carole Crouse. The girls learned a new dance. The meeting closed with their benediction.—Lois Batson, reporter.

Brownie Girl Scout troop 140 met at the Lions den May 14 after school. The girls handed in their registration cards, for day camp which will be held in June at the camp grounds. Virginia McCullough and Karen Braur were chosen to represent the troop Saturday at the Berlin home to discuss camp menu planning. The fourth grade girls worked on the Tenderfoot requirements, while the third grade girls learned the flag ceremony. The group played several games with prizes for the winners. Leader Mrs. Kenneth Kirk was unable to be present and Mrs. Irene Peterson took over for her. Becky Sheeler was hostess for the day. Six troop members attended the Brownie Field day last Saturday at Chana chalet, and each gave a short talk on the days activities. Lynetta Gillette, Barbara Beadles, Gayle Huss, Virginia McCullough, Kathleen Anderson, and Karen Braur attended Field day and Mrs. Harry Huss and Mrs. Lyle Beadles were the adults in charge of the troop.

Items to be Taken In Consideration For Good Vacation

Early preparation insures a trouble free vacation, according to Chas. M. Hayes, president of the Chicago Motor Club.

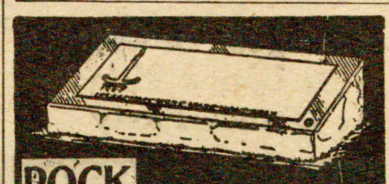

Hayes suggested that the two biggest considerations in pre-trip planning are to set your budget and the distance you intend to travel.

He listed these four topics a daily semi-deluxe budget guide for two persons:

1. Car operation, \$6.00.
2. Meals, \$7.00.
3. Lodgings, \$8.00.
4. Admissions, amusements and toll, \$2.00.

The total for two persons per day runs \$23.00, but an extra 10 per cent should be added to cover incidentals, souvenirs and emergencies. Thus about \$170.00 should be allowed for a one-week vacation and more than \$325.00 for a two-week vacation.

Hayes cautioned motorists that for the most pleasurable and safest trip, 300 miles should be the maximum daily total. "Even though you limit your distance to 350 miles, the motorist is liable to be weary at the end of the day."

ROCK OF AGES BONDDED GUARANTEED

Fulfilling a present requirement with a Rock of Ages marker is a wise first step in a lifelong memorial program—for Rock of Ages monuments and memorial markers can be matched exactly through the years to come.

Consult us today on your problem in the choice of monument or marker as the beginning of a memorial plan.

abundantly
and
Industry
thrives

Some Railroads
may serve a larger territory...

none serves a finer one!

These are the 14 mid-continent states directly served by the Rock Island Lines. They are rich in the things that make for progress and prosperity, and into and out of them flow endless streams of products—from field and forest, mine and factory.

Because of their speed, dependability and on-time habits, Rock Island's diesel-powered ROCKET FREIGHTS provide a transportation service which ideally fits into the requirements of this fabulous area. "Ship Rocket Freight" is not only an apt phrase—it is a welcome service!

Passengerwise, too, the Rock Island provides a modern, streamlined, dieselized service. So smooth-riding and comfortable are the ROCKET luxury-liners, so perfectly appointed, they have become outstanding American favorites.

Let a trained Rock Island representative help you with your individual travel, shipping or location problems.

ROCK ISLAND LINES

The Road of Planned Progress

ALPINE

Mrs. E. Mrosek
Orland 41-J-1

Speeders and other reckless drivers will find they have committed a very serious offense if found guilty in the court of Justice of the Peace. John J. Cole, Judge Cole has made known his own concern over the reckless driving of the youths mentioned in this column of last week. He also expressed concern over what seems to be a general increase of speeders along 104 avenue, which is used by many as a thoroughfare to Mokena.

In his desire to make the

streets safer for the many school children and others who use them, Judge Cole states that he might be quoted as saying that anyone he finds guilty of excessive speeding or reckless driving will be given the maximum as provided by law and that he will not be partial to anyone.

The Orland Boys 4H club met at Maue school May 11 at 8 pm. Duane Erickson talked on the care of rabbits and Irvin Wolterman on feeding dual purpose catlet. Irvin Wolterman and Geno Federici served.

There was good attendance of officers from the Orland Boys and the Alpine girls 4H clubs at the Officers' Training school sponsored by the South Cook 4-

H federation, held in the Farm Bureau building, Tinley Park on the evening of May 12. A force of well qualified individuals lead sessions for the different officers.

Little Miss Candy Kozbiel celebrated her first birthday May 12.

William Lohmann, John Breclaw and Judith Bukowski received their first holy communion at the 9 o'clock mass at St. Michael's church, Orland Park May 10. Friends of Judith Bukowski who came from Chicago to attend the Mass were her god father, Mr. and Mrs. Frank Pawlusz and Mrs. Wielzykowska. To make Miss Judith's day complete she had a dinner party in the afternoon which she shared with her godmother, Mr. and Mrs. J. Urban and daughter, her grandparents, Mr. and Mrs. Paul Piotrowski, Mr. and Mrs. E. Piotrowski and son and Mr. and Mrs. T. Bukowski and sons.

Arthur Maue attended a selective service meeting at the auditorium of the People's Light and Gas company in Chicago Thursday night. The speaker of the evening was General Hersey.

Mrs. Frank Vanderbough and daughter Kathy, Mrs. Alexander Buy and children Karen and Hugh, and Mrs. Alice Froemke all of Chicago, were visitors at the Owen Maue farm Tuesday.

Mr. and Mrs. Perzee and family attended a birthday supper at the home of Mr. and Mrs. Gary Koning in Chicago Sun.

Mr. and Mrs. Walter Gawlik and Mr. and Mrs. Stanley Gawlik visited at the home of their brother, Mr. and Mrs. Sam Gawlik Sunday.

Mrs. Helen Lembke, Maue school principal, has been ill with measles. Mrs. Gertrude Pelouquin and Mrs. Edward Mrosek have also been down with measles the past week much to the amusement of their friends.

4H News
The Clover Belles 4H club met recently with Marilyn Ropes with Beverly Lauffer, president, presiding. Report was made that the card and bunc party given was a great success. Helen Bettenhausen demonstrated how to put in a hem. Louise Bettenhausen demonstrated how to make a scarf, and Phyllis Ropes told how to gather skirt. Plans were made to hold a picnic and our achievement meeting. Refreshments were served by Marilyn and Phyllis Ropes.—Jean Bettenhausen, Pub.

Lakeland, Fla. where they spent the winter.

The Mokena PTA will meet Tuesday evening, May 26 in the school. The newly elected officers will be installed. A sound colored movie picture entitled "Viva Mexico" will be shown. It will include a bull fight. Mrs. Edwin Yunker will serve refreshments for Mrs. Renfro's room.

Fred Hentsch is a patient in Hines hospital. Mr. and Mrs. Glenn Peterson and Mrs. Hentsch visited him there Tuesday.

Mrs. Lydia Ryan and Mrs. Adolph Steen attended the Boston symphony at Orchestra hall in Chicago Saturday evening. Pierre Montoux was the guest conductor.

Mrs. Theo. Pethes was hostess to the Village Players at their May 12. The Pethes are newcomers to Mokena and everyone enjoyed their charming home with each window framing a lovely view of their lake and surrounding trees. At the meeting with the president Leo Marcoux presiding the donation to the Scouts was discussed and it was decided to send a check for \$50 to the Girl Scouts to use for a large tent and the same to the Boy Scouts to use for the purchase of pup tents. The spring party of the Players was discussed and a committee appointed to decide on place and time. The Players voted to give one hundred dollars to the Park fund.

MOKENA

Mokena 3521

S. N. Donald W. Olson who is aboard the USS Sierra is now taking a 3 weeks cruise to Gt. Bay and around Cuba.

A daughter was born to Sgt. 1c and Mrs. Lloyd E. Tomany, Jr. in Silver Cross hospital, Joliet, May 16. The baby weighed six pounds, three ounces and has been named Nancy Crystal. Her father is serving in Korea. Mrs. Tomany is the former Miss Joan Luplow of Mokena.

The Wayfarers enjoyed a progressive dinner Sunday. They started at the home of Mr. and Mrs. Henry Koenig where they were served the appetizers; next to the Berle Needham home for the soup course, salads were served at the Henry Clark home and the main course in the Edward Brueser home. For the dessert course the group traveled to Tinley Park to the Johnson home where the group enjoyed pinocle following the serving.

The Wednesday Evening pinocle club was entertained in the home of Mr. and Mrs. Everett Cooper last Wednesday evening.

The Women's Guild of St. John's church will meet in the church this afternoon. Mrs. Roy Kropp and Mrs. Edwin Yunker will have charge of the devotionals. A film entitled, "The Christian Family" will be presented. Hostesses will be Mrs. Lester Christiansen, chairman assisted by the Mesdames A. E. Bueschel, George Evans, Erick Jacobson, Oliver Kleslar, Lawrence Kohl, Howard Martie, Ernest Munson, John Roesener, F. L. Sizer Jr., and George Warn ing.

Mr. and Mrs. James Thweatt of DeValls Bluffs, Ark. are guests of his sister and husband, Mr. and Mrs. Phillip Lenz. Their other brother Cooper Thweatt from the same city, has been a guest of the Lenz's. This is the first time these brothers have visited their sister in this part of the country and needless to say a fine reunion is being enjoyed.

Mr. and Mrs. Martin Medema spent the weekend with his brother and family at Muskegon, Mich. They attended the Tulip festival at Holland several days.

The young people of the Methodist church will sponsor a pot luck supper to be held in the village park back of the church Saturday evening, May 23 at 6:30 o'clock. Following a short program will be given in the church. Everyone is cordially invited to attend. Those attending are asked to bring their table service and a dish to pass. Arrangements are being made for the supper and program in case of bad weather.

Plans were made at the last meeting of the Sunbeam Camp of the Mokena Royal Neighbors to hold Memorial services at the grave of their last deceased member. This will take place Thursday evening May 28 at 7 o'clock. Those attending are asked to meet at the home of Mrs. Hensel.

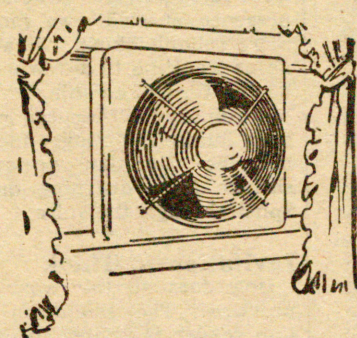

Mr. and Mrs. Charles Burkhardt returned Saturday from

Don't Swelter this Summer

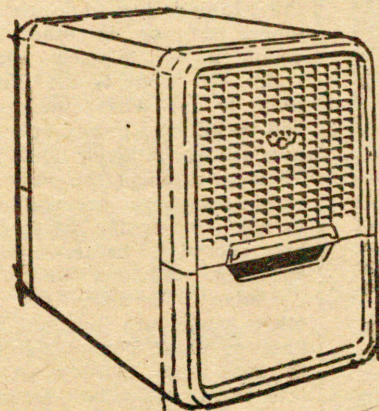

Prepare Now...

FOR COMFORTABLE, COOLER LIVING ALL SUMMER LONG

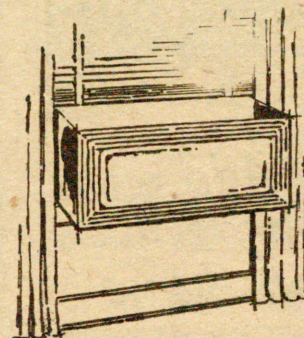

Be wise and plan now for a more comfortable, easier summer from basement to attic—a summer without sweltering heat to upset your day's work, your night's sleep... a summer without damaging moisture to rust tools or mold and mildew stored items. Don't wait—see now how low-cost summer comfort can be yours this year and for years to come—electrically!

Ownership Change In David C. Cook Publishing Co.

Ownership of the David C. Cook Publishing Company of Elgin has been turned over to the David C. Cook Foundation for Christian Education. All present and future earnings of the company will be used by the Foundation to "aid and promote the work of religious education without profit to any person or group," it was announced by David C. Cook, III, president of the 78-year old family owned corporation.

Announcement of the change in ownership was made at a luncheon for members of the Elgin Ministerial Association, Management of the Founda-

tion now is vested in a board of trustees of seven members. Mr. Cook said the funds that now will be available for use by the Foundation are expected to give it greater leeway for Christian activity. At present the non-profit corporation is sponsoring the I. A. H. club, a rapidly growing evangelism program for young people nine to 19 years of age who are interested in building good moral character. There are now 150,000 members located throughout the United States.

Father-Son Banquet At Lincoln Estates

The Calvary Baptist church at Lincoln Estates will hold their father and son banquet in the church Thursday evening, June 4. It will start at 6:30. Reservations must be made before the banquet a few days. They can be made by calling Mrs. Otto Niedringhaus, Frankfort 4284 or Mrs. Don Ball at 4427.

Mokena Girl Scouts Honor Dance Badge Members at Party

Girl Scout troop 42 of Mokena whose leaders are Mrs. Hugo Niethammer and Mrs. Arthur Shoop, held a party in the basement of the home of Mrs. George Bills, with 31 present. The party was to honor those members who had completed

their dancing badge, under the supervision of Mrs. Bills, dance counselor. Games and dancing were enjoyed.

The basement was prettily decorated in pastel paper streamers with symbols of outdoor sports on the walls, and a May pole.

Luncheon was served at quarter tables which were decorated with candles, and girls made of lolly-pops. Refreshments were served buffet style and consisted of sandwiches, cup cakes and pop. Everyone had a pleasant evening. An evaluation meeting was held Wednesday.

New Variety Store

Mokena is to have a new store. Mr. D. W. Noble, of Chicago has recently bought the Hatch hall, which is now being remodeled. The store will carry a line of notions, etc. It is expected the new store will be opened in the near future.

Seek Ribbon In Annual Flower Show

The New Lenox Garden club which won the State Flower Show green ribbon in 1950 will again compete for that prize when they sponsor their annual flower show this year. The show will be held on the Methodist camp ground in New Lenox on June 11, from 2 to 9 p. m. The motif will be country gardens.

The members are now busy potting flowers for their flower mart, making cookies for their tea table, and decoration for their rural scene.

A new leaflet on grass silage has just been published by the University of Illinois says Car. F. Mees, Cook County Farm Adviser.

It's called "Grass Silage in Stacks and Trenches", and you can get a copy from the farm adviser's office. The leaflet is devoted mainly to instruction on how to put grass silage into the different types of trenches and stacks used successfully in Illinois.

My Conscience

Lesson for May 24, 1953

"FOLLOW your conscience; but be sure you do not have the conscience of a donkey." This advice is old but still good. It is never right to go against your conscience; but it is very important to have your conscience right in the first place. Conscience is never quite automatic. It is not born in us so much as it is built-in. If it were born in us, that is to say if we were made so that we would never have to have any one explain to us the difference between right and wrong, and would always know by instinct just what is right in every situation, then not only would we all agree (which we don't), but if a child were brought up, say, by wolves, then he would know right from wrong just as unerringly as if he had been brought up in a Bishop's household. What is born in each of us is the capacity to tell right from wrong, just as we are born with the capacity for speech. We have to learn to talk; likewise we have to learn right from wrong. Conscience is also the capacity for knowing what is right without thinking about it. It is a kind of moral habit, just as walking is a balancing habit.

Dr. Foreman

I Am Not Alone

The best, the most reliable conscience in this world is the Christian conscience. A Christian has certain automatic moral attitudes; or rather these tend to become automatic with practice. Watch a trained first baseman catch balls thrown to him. He will tap the base with his toe without stopping to think or look around. He was not born with that habit; but he can learn it to perfection, and perfection comes with practice. Just as the athlete's habits are in line with the rules of the game, the Christian's moral habits—his conscience—will be in line with the principles of Christ. One of these principles is laid down by Paul in I Cor. 8:7-13. It is this: I should never act as if I were the only person involved. I must always think how my actions will touch other persons. I am not alone in this world; I depend on others and they on me. Will my action help to make others strong or will it make them weak?

My Body Is a Temple

Another Christian principle is laid down by St. Paul in I Cor. 6:18-20. It is this: My body is a temple of the Holy Spirit. To put that as boldly as possible: God makes his home in every Christian; that is where God especially lives, in this world. Now the more clearly we can remember that, the more intensely we can believe and appreciate it, the more God-like our lives will be. This does not mean we never have to stop and think. It does not mean we have an automatic conscience. It does not mean that whatever we may take a notion to do will be all right, since we are the children of God. What this does mean, as St. Paul preached and practiced it, is that by "practising the presence of God" we more and more reliably think, "What would Jesus want me to do? What would be the Christ-like thing?" A man of ordinary self-respect will not drag himself through the mud; but the Christian conscience shrinks from dragging the Holy Spirit through the mire.

Invitation to Think

How does all this work out in practice? The intelligent Christian reader is invited to do some thinking about this. Let us suppose there is a party and alcoholic drinks are served. The "polite" thing to do is just to do what most others do, or in other words count noses to see what is right. But what is the Christian thing to do? What other persons will be affected by my action, and how will my behavior affect them? Then what about the Holy Spirit within me? What would God have to say? Or again, thinking over his everyday habits—habits of speaking, thinking, acting—the Christian will ask: How many other people are involved in this habit of mine? Does it help them? Or does it get in their way, irritate them, rouse bad feelings in their minds? And what about God? Even if no one but God knows what I think, or what I do, what he thinks about it is the most important point of all. If I were God, what would I think of me?

(Based on outlines copyrighted by the Division of Christian Education, National Council of the Churches of Christ in the U.S.A. Released by Community Press Service.)

THE LOST VIRUS by Science Features

A corrugated paper box found more than 30 years after it was lost in a University of Michigan laboratory has yielded what may be an important clue in solving the riddle of the virus. For the virus, smallest of all known disease organisms, is one of the largest unsolved problems of science. Viruses cause such diseases as infantile paralysis and influenza.

The story begins 44 years ago—in 1909. Dr. Frederick G. Novy, Michigan's famed bacteriologist, was conducting experiments with a powerful virus fatal to rats. The virus, kept constantly supplied with the living tissue believed necessary for its existence, was studied for ten years. In 1919 the test tubes containing the virus were lost.

Thirty-two years passed. Then, in 1951, workers cleaning the laboratory found a corrugated paper box hidden in one corner—and inside with the lost test tubes. Meanwhile, scientists had greatly added to their knowledge about viruses through use of the electron microscope and other new devices. They believed that the rat virus so long neglected would be dead.

Instead, it was deadly. When the test tubes and their brown deposits were ground up and injected into healthy rats, 75 per cent of the experimental animals died within three to eleven days. Dr. Novy, who retired in 1935, came out of retirement to prepare a scientific report on the lost—but still very much alive—virus.

As a result of this discovery, scientists are investigating the possibility that other viruses, perhaps those which cause human disease, may be capable of long periods of survival without a living "host" on which to feed.

The Model T was born Oct. 1, 1908, and when the last of more than 15,000,000 was produced 19 years later it had become the most famous car in history. Henry Ford's specifications were simple: the T was easy to operate and repair, low priced and durable.

Driving Through Water is Not the Time to Make a "Big Splash"
20 MPH
3 MPH
Although today's automobile has progressed far beyond the point where a severe spring rain will stall the engine, it still is not an amphibious vehicle. Failure of the engine to bring you through normal flood waters, which might cover highways, can be attributed mostly to water on the ignition system caused by splashing. Today's engines are better equipped to combat excessive moisture and driving through water, by the use of such things as improved rubber housings on the spark plug terminals. These pictures show the splash effect when a car "plows" into a seven-inch depth on a flooded highway. At 20 m.p.h., the water shoots high, completely drenching the

LINCOLNWOOD HILLS

Anne Halik & Dorothy Owen
5324 5233

The Home Owner's association will hold their meeting May 23 So come on and let's make it a 100% attendance. Election of officers will be held.

The Schmuhl school will hold their annual school picnic on June 7th. It will be held at Van Horn woods on route 30. Bring your own lunch and pop. Ice cream will be served by the Community club. Also the school children will go on their bus trip to Chicago May 25. They

will visit the Museum of Science and Industry.

Pfc. Ralph Murdock visited with his mother and father, Mr. and Mrs. Malcolm Murdock in Lincolnwood last week. Pfc. Murdock has recently been stationed at Camp Breckenridge, Ky., and is now on a 10 day tour prior to leaving for the South Pacific. Good luck to you Pvt. Murdock.

Mrs. Wm. Malloy spent several days in Silver Cross hospital under observation. She has now returned home. Mrs. Malloy celebrated her birthday May 18 fortunately not in the hospital as there was nothing serious.

Mrs. Roy Petersen and children motored to Toledo, O. with her sister, Mrs. McKinney May 16. They visited with their mother whom they had not see

for two years.

Mr. and Mrs. P. Cullen entertained her parents Mr. and Mrs. F. Hartle of Evergreen Park Sunday.

Mr. and Mrs. Baesel of Joliet have a baby girl, born April 30 and named Diana Lynn. Mrs. Baesel was formerly Marellyn McElfresh, better known as "Toodles" to her friends. How do you like being a grampa Mac?

Mr. and Mrs. C. R. Gelvin of Crete spent Sunday with their daughter and family, Mr. and Mrs. George Paxton. They are enroute to Coffeyville, Kansas on a business trip.

Mr. and Mrs. Claude Clay entertained Mr. and Mrs. Sam Al-xandra of Chicago Sunday.

V. C. Halik, father of Mik Halik, celebrated his 78th birthday May 16. The Mike Haliks held a little party in his honor. Daughter Mrs. Elmer Polivka and family were present. Light lunch, ice cream and cake were served. Mr. Halik received gifts. A ripe old age, Grandpa. Hope you have many more. We need you around here for lots more of the beautiful flowers you have been landscaping the residence with.

Mrs. Walter Thode is doing very well after her operation and she expects to be home soon. Mr. and Mrs. Robert Berls had their nephew, Master Bobby Quintenz of Chicago as a weekend visitor. Bobby love to come to Lincolnwood. Can you blame him?

We wonder when the men will be able to take at least one game of Canasta from the women. Reference of course to several games played between the Haliks, Berls and Owens.

The members of the bowling team sponsored by Bob Berls took their wives out to dinner

May 16. Those in the party included Mr. and Mrs. Roy Fredrick, Mr. and Mrs. Fred Stone, Mr. and Mrs. Bob Allen all of New Lenox, and Mr. and Mrs. Dan Owen and Mr. and Mrs. Bob Berls of Lincolnwood Hills.

Miss Janice Petersen celebrated her 5th birthday May 10 while visiting her Grandma Peterson in Chicago. However, Janice's birthday was May 12. Congratulations Janice, may you have many more.

The strange voices coming from Berls' garage and Owens dog house is being made by two baby lambs, recently acquired and being royally spoiled.

Lincolnwood Hills subdivision will have three new families living in their homes by June 1. These are three homes built by the Fredin Construction company and now almost completed.

By the way, all the activity around the "Drive In" will be watching. We hear big things are brewing which will take place around the middle of June Watch!

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The Marley Woman's club met at the home of Mrs. John Hasibar last Thursday afternoon. Mrs. Harold Mohney was assisting hostess. The president, Mrs. Robert Sproat announced that reservations are to be made with her this week for the county league tri-annual, which will be held at the Lockport Congregational church Tuesday, May 26. The annual election of officers held resulted as follows: president Mrs. Charles Ingram; vice president, Mrs. Clayton Cleveland; secretary, Mrs. Eugene Anderson and treasurer, Mrs. Harold Mohney.

The program was presented by Mrs. Eugene Anderson and Mrs. Charles Ingram. Mrs. Anderson talked on Switzerland and showed several souvenirs

which her mother recently brought from that country. Mrs. Robert Mullauer of Chicago gave a demonstration on her hobby of making jewelry. She showed many items which she had made. She also demonstrated making raffia bowls.

After the program, Mrs. Ingram was in charge of some "Charades" and then the hostesses served refreshments. The June meeting will be held at the home of Mrs. Victor Zaloudek with Mrs. Don Reid assisting. This will be a picnic meeting.

Rev. Herschel Aseltine and James Tilsy were supper guests Wednesday night at the home of Mrs. Adella Sproat.

Mrs. Howard Handorf has been ill with the flu.

Mr. and Mrs. Fletcher Binion motored to Holland, Mich. Friday, where they spent two days at the Tulip festival.

Mr. and Mrs. Edward Sproat and daughter Bonnie and Mr. and Mrs. Russel Lauffer and family were dinner guests Sunday of Mr. and Mrs. E. D. Gillette.

Mr. and Mrs. Edward Malnar and family of Tinley Park were guests Saturday evening in the home of Mr. and Mrs. Clayton Cleveland.

Mrs. Russel Lauffer, Mrs. Loren Sass, Mrs. John Hasibar and Mrs. Eugene Anderson were guests at a supper in the Lions Den in New Lenox Friday night given by Girl Scout troop 90 of New Lenox.

Rev. Herschel Aseltine was a dinner guest Sunday of Mr. and Mrs. James Tilsy and family.

MARLEY COMMUNITY CHURCH

Sunday school 9:30 a.m.
There are classes for all ages.
Morning worship at 10:30.

Rev. Aseltine has chosen "Striving for Mastery" as his sermon subject.

At 8 pm. The annual Memorial Day service at the Homer church. Rev. Aseltine will be the speaker.

Baby Chicks

Place your order with confidence and a guarantee of healthy, vigorous chicks

This year we are introducing a new type of a hybrid chick called our Midwest Top Cross Hybrid. A four point line:

Excellent livability, rapidity of growth, early maturity, and a persistency of production over a longer period of time.

We also hatch the following: Austra Whites, Hy-cross Lg. type White Leghorns, Ghostly Lg. type White Leghorns, AAA White Rocks, AAA White Wyandottes, AAA New Hampshire Reds.

FRANKFORT

Katharine Heisner

Mr. C. C. Cave of Mt. Vernon spent the weekend with his son, Dr. W. H. Cave and family.

Pfc. Robert Schweizer Jr. is enjoying a 10 day furlough at the home of his parents, Mr. and Mrs. Robert Schweizer Sr. He is being transferred from the San Diego marine base where he was attending radar school to Cherry Point, N. C.

The PTA of the Public school will sponsor a bake sale at the Frankfort Motor & Equipment garage Saturday, May 23 at 2 p. m.

Mrs. Eva Thomas of Denver Colo. arrived Sunday at the home of her daughter and son in law, Mr. and Mrs. Al Hochberger, where she will be their houseguest for several weeks.

Mr. and Mrs. James Lind are the parents of a daughter born May 16 in St. Joseph's hospital. The baby weighed 6 lbs. 13 oz. and will be called Karen Marie.

Mr. and Mrs. Wilbert Klier and family were dinner guests Sunday of Mr. and Mrs. Robert Klier at Monee. The event marked the birthday anniversary of their father William Klier.

Mr. and Mrs. James Raffauf are parents of a baby girl born May 18 in St. Joseph hospital. The baby weighed 8 lbs. 2 oz. Mrs. Raffauf will be remembered as the former Miss Marian Schoop.

Mr. and Mrs. Laverne Jacobs of Peotone visited with Mr. and Mrs. Herman Weichbrodt and Mr. and Mrs. William Koerner Sunday.

Mr. and Mrs. Paul Pfeiffer of Columbus, Neb., are spending a week with Mr. and Mrs. Walter Pfaff.

Mrs. Alfred Hyer who underwent surgery April 30, at Silver Cross hospital is still confined to her home nursing a cold.

Mrs. William Seeman returned from Silver Cross hospital where she was a surgical patient.

Mr. and Mrs. Robert Bookwalter and daughter of Grayslake spent Sunday with the Lloyd Heisner family.

Mrs. Raymond Warning, accompanied by Mrs. Jake Hostert, Mrs. Frank Heisner and Mrs. Katharine Heisner attended the thirteenth annual meeting of the WSCS Rock River conference at the First Methodist church at Aurora Friday. This was the last four star meeting.

Rev. and Mrs. Erich Bizer and Mrs. Fred Klepper attended a meeting at the Children's Home at Bensonville Tuesday.

Roger and Alan Hedges spent the weekend with their parents Dr. and Mrs. W. V. Hedges celebrating Mothers Day. Th

Hedges entertained at dinner Saturday evening Mr. and Mrs. Glenn Folkers, Mr. and Mrs. Lawrence Woodman and Mrs. Lily Herschbach.

The Girl Scout Troops 95 and 89 with leaders and co-leaders Mrs. M. Miller, Mrs. C. Ferrel, Mrs. W. Grotewal and Mrs. W. Schoen enjoyed a field trip Saturday to Geuthers woods. They studied wild flowers and made some terrariums and later enjoyed a lunch.

Mr. and Mrs. Homer Smith and Mr. and Mrs. Arthur Marti spent Sunday afternoon with Mr. and Mrs. Jerry Hossbach at Peotone; Mr. and Mrs. Henry Peiper of Joliet were also present.

Norma Jean Smith, daughter of Mr. and Mrs. Smith, was the honored guest at a birthday party Monday afternoon when a group of her playmates were entertained in her home to help celebrate her eighth birthday anniversary. Refreshments including the usual birthday cake were enjoyed by all.

Mr. and Mrs. Martin Miller spent Saturday with Mr. and Mrs. Ed Lane and family at Culver, Ind.

Mr. and Mrs. Fred Heusner entertained Saturday evening a dinner Mr. and Mrs. Burton, Breidert and Bobby, Rev. and Mrs. Erich Bizer, Mr. and Mrs. Henry Breidert and Miss Vic Lankenau.

Mr. and Mrs. Burnett Sch and family were Sunday evening supper guests of Mrs. Bertha Nieland and Mrs. Emma Geuther.

The WSCS of the Methodist church will have a refreshment booth consisting of pie, cake, pop, ice cream bars and ice cream on the public school grounds on Memorial Day afternoon.

Mr. and Mrs. A. H. Krusemark returned Saturday from Rochester, Minn., where they had a physical checkup at the Mayo clinic.

Mr. and Mrs. Leo Whitcomb, Paul and Marcia Ann of Gas City, Ind. and Mrs. George Schwartz of Lansing were guests Saturday in the Chas. Baumann home. Sunday guests were Mr. and Mrs. Howard Bobzin and Mrs. John Bobzin of Oak Park.

Mrs. Augusta Rohde who makes her home with her daughter Mrs. Alfred Hire, underwent surgery in Silver Cross hospital May 15.

Savings Accounts Reach New Peak At Harvey Federal

The net flow of savings into Harvey Federal Savings and Loan association, Harvey, at the close of April brought total savings balances outstanding to an all time peak in the 42 year history of the association. The total savings outstanding at the close of April was \$7,937,987.73 a net gain of \$90,662 in the month of April alone, bringing the total increase for the first four months of 1953 to \$519,177 according to Foss P. Miller chairman of the board of directors. The net gain over the figures of a year ago amounted to \$1,201,560.73.

The number of savings accounts outstanding at the close of April also reached a peak of 6,536 accounts held by 10,784 individuals, firms and corporations, a gain of 777 accounts and 1,393 holders in the year, according to Mr. Miller.

Outstanding reserves and surplus at the month-end totaled \$570,822.27 compared with \$492,518.78 a year ago, or a net gain of \$78,303.49. Mr. Miller said, "Expressed another way these reserves and surplus represent a safety fund now equal to \$7.25 per \$100.00 of savings balances, or the Association has total assets of \$107.25 for each \$100.00 of savings invested in it."

According to Chairman Miller, net earnings in the four-month period of 1953 also reached a new peak of \$85,399.90, compared with \$63,974.77 in the first four months of 1952. Of current earnings, \$84,048.86 was set aside for dividends on savings at the rate of 2 1/2%, compared with \$44,056.54 a year ago, before the increase in dividend rates paid by the Association. After provision for earnings or savings accounts, the balance of \$21,348.13 was transferred to reserves and surplus.

The financial statement disclosed that total outstanding mortgage loans reached a new high of \$7,870,894.68, representing first mortgages on improved properties, mainly homes, owned by 1,674 borrowing families. Total mortgage loans made in 1953 crossed the one half million mark, \$538,84, while liquid holdings of cash and United

State Government bonds continued above the million dollar mark, totaling \$1,003,786.51, according to Miller.

Organized in March of 1911 the association recently celebrated the 42nd anniversary of its founding.

Wheat Producers Urged to Send in Wheat Report

All wheat growers are advised that it is possible, although not yet definitely determined that it may be necessary to have wheat acreage allotments and marketing quotas for the 1954 crop, according to word from Conrad Borms, chairman of the Will county PMA committee. This results, he said, from the fact that the wheat situation in this nation has reached a rather critical point.

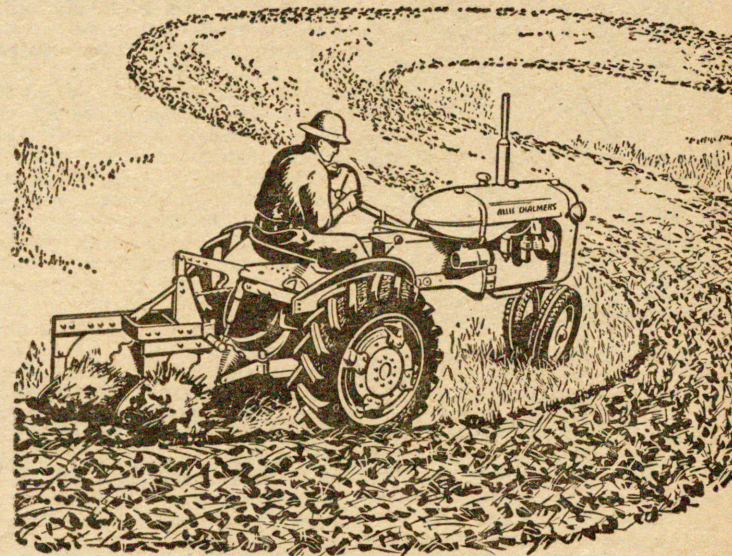

In order to be ready for this possibility, the PMA office must secure data for all farms on which wheat was seeded for harvest or use in any of the years 1951, 1952 and 1953. Mr. Borms explained that selected reporters are calling on all known wheat farmers to collect the required information. To all other owners and operators a letter is being sent asking that they furnish the data by mail.

Any farmer who isn't contacted personally by a PMA reporter or hasn't received a letter from the county committee should on his own initiative make certain that a report or his recent wheat acreages is turned in. He may contact his local reporter, send the information by mail or call at the county office. A full and complete record of wheat produc-

tion is essential not only for the farmer concerned so that each will receive his fair allotment but also to make certain that the county receives its full share of the State allotment.

This is a big task, said Mr. Borms, which must be accomplished immediately and we need the cooperation of each and every wheat producer.

Although Secretary Benson has stated he will make no final decision on 1954 wheat controls until the latest information is available, it is, nevertheless, essential that full and complete acreage data be secured immediately, the county committeeman added.

now... Free-Swing IMPLEMENTS

ONE master hitchpoint!

Around that key idea, Allis-Chalmers has developed a new principle of tractor farming. It's the Allis-Chalmers FREE-SWING system of hitching implements.

FREE-SWING does five important things:

1. Makes hitching minute-quick.
2. Allows implements to go where led.
3. Helps steering. Single master hitchpoint is ahead of rear axle.
4. Permits shorter turns on contours.
5. Lets plow dodge obstructions.

Test Allis-Chalmers FREE-SWING implements on your farm. See us for a demonstration of plow, disc harrow, subsoiler, or drill planter.

Enjoy the National Farm and Home Hour every Saturday on NBC.

Fertilizing Pasture Ups Milk Yield per Cow Cuts Feeding Costs, Boosts Dairy Profits

HIGH milk yields per cow and less feed are the key to high profits for dairy farmers in the months ahead, reports the Middle West Soil Improvement Committee.

You can get higher milk production by building up your

Well fertilized pasture gives more milk per acre at a lower production cost.

pastures and by good pasture management, says a statement issued by the committee. This will provide a year-round supply of cheap forage that will cut down feeding costs and leave a higher profit margin whether prices go up or down.

"Legumes and grasses are a

cheap crop to grow," says the statement. "It costs considerably less to produce feed nutrients in pasture and hay than in corn and other grain crops. Besides, well-fed grasslands are soil savers and soil builders, as well."

Farm economists estimate that nearly 85 per cent of a cow's milk producing capacity can be obtained without the use of high priced grains and supplements.

The dairy farmer who has good quality pasture, hay or grass silage can produce milk at a considerably lower cost per 100 pounds than one who feeds a high percentage of grain.

Getting high yielding, protein rich pasture involves several steps. No. 1 is liming, where needed and fertilizing the soil liberally with plant food containing nitrogen, phosphate and potash. Seeding a well-adapted legume-grass mixture is important, too. With good seed and fertilizer, your pasture will be in condition to produce thick stands of quality forage that will boost milk yields and lower production costs.

HOMER

Lockport, R. 1
Telephone Lockport 1387M

The Missionary society of Homer church will meet Thursday, May 28, in the church with Mrs. Guy Bump and Mrs. Frank Parker serving as hostesses. Pot luck dinner will be served at 12:30. All local women are welcome.

At the recent successful breakfast guests from out of town were from Lombard, Lockport, Romeo and Marley.

Homer young people who will receive eighth grade diplomas this year are: Clare Bump and Roy Verney from Ross school; James Cleveland, Larry LeGrand, Roberta Henson, William Kiehl, Martin Mlynarik, Judith Olsen and Joseph White from Reed school; Robert Zolecki and James Hank from Goodings Grove and Donnie Cagwin from Barnett.

Several students from here attended the Junior-Senior Prom at LTHS Saturday night.

Visitors at the Tulip festival at Holland, Mich., last week were the Wrey Whites and the Ray Carlsons.

John Reifers visited their son Jack, at Great Lakes Sunday.

Capt. and Mrs. Fred Thatcher from North Dakota were recent guests of the George Welters. Mrs. Thatcher, who has been hospitalized for some time, is considerably improved.

George Conrad of San Diego, Calif., spent several days with his cousins the Robert Shepherd family, last week.

Walter Purdy, Jr., who has been a surgical patient in Silver Cross hospital, returned to his home recently.

Joyce Purdy is recovering from a recent illness.

Mr. and Mrs. H. M. Finley and Bobby of Gary, Ind., were week end visitors in the Willard Rowley home.

Mr. and Mrs. James Coleman and daughter, Lynne, of Harvey spent the week end with Mr. and Mrs. H. Reed Burch.

Mrs. H. V. Drewes and Mrs. Ira Anderson attended the Story Telling institute at Ottawa Street Methodist church in Joliet Sunday afternoon.

Do not fail to take your donation and attend the auction at the town hall Saturday evening, May 23, at 7:30. It is sponsored by the CAC's. If you cannot carry your gift, phone Lockport 875M for Charlie Jungles' pick-up. A baked goods section is one of the attractions and refreshments will be available. Ed. Schmaedeke of Orland Park, will be the auctioneer.

Rev. Nicholson of the Chicago Theological seminary, was the guest pastor at Homer church Sunday morning. He and Mrs. Nicholson were entertained in the Henry Rodgers home at dinner. Rev. Nicholson will preach here again next Sunday.

The CAC group were guests in the Charles Jungles home Sunday evening.

William Hanson, who has been a medical patient in Silver Cross hospital, is recuperating in his home.

Miss Bessie Sproat, Glenn Sproat and Perry Bishop visited relatives in Worth Saturday.

HOMER CHURCH

Walter Boyce, Superintendent Sunday school and church services will begin at 9:45 a. m. as usual next Sunday.

EXPECT CHANGES IN YOUR ONE-YEAR-OLD'S APPETITE

"Tommy eats just about half as much as he did a few months ago," a worried mother told the doctor.

"Nothing I give him suits him—not even things he used to be crazy about!"

The physician examined Tommy—a sturdy fifteen-month-old. Nothing wrong with Tommy physically. Then why the lack of appetite?

After the baby's first birthday there's often a let-up in appetite, according to Dr. Otto A. Faust, Pediatric Consultant to the Beech-Nut Packing Company. Between one and two, the baby's rate of growth—and weight-gain—slow down and so may his interest in food. He's apt to get picky and choosy—and eat only half or two-thirds as much as he did. He may demand many servings of one food but spurn all others. Possibly he'll skip a meal or two entirely.

What should a mother do if these things happen?

Dr. Faust suggests: Be ready to offer smaller servings the first time your baby acts bored with his dinner. A big plateful of food looks most unattractive when you're not hungry.

Don't insist that he eat any certain food—or eat 'just one more bite' when he obviously doesn't want it.

"More feeding troubles start in the second year of a baby's life than at any other time," says Dr. Faust. "But the more easy-going and understanding a mother can manage to be about her one-year-old's appetite slowdown, the less likely that any lasting feeding problems will come of it."

Under The Cross Of Malta

Thursday evening, May 14 Wm. Martin Post VFW met in regular session, presided over by Commander Hurley. Fina plans were made for Memorial Day, details will appear in the May 27th issue of the News-Bulletin. Comrade John Richard Tomaska was accepted as a new member of the Post. Several other subjects relative to the operation of the Post were discussed.

A new enemy has been sighted and we of the Veterans of Foreign Wars are recalled into action. Our Veterans Administration hospital and medical program for disabled veterans is in serious danger. A new "Economy Drive" is led by Representative John Phillips of California.

If it succeeds, millions of dollars will be sliced from V. A. appropriations for fiscal 1954, which starts July 1, 1953. It will force the closing of additional thousands of hospital beds and seriously aggravate a situation which even today finds great hosts of veterans suffering from tuberculosis, mental disturbances and chronic diseases yet unable to secure treatment because of lack of beds.

We of the VFW are determined to fight this false economy to the last ditch. We need your help, write your United States Senator or Representative a notice protesting any slice of V. A. appropriations. The new budget will be up for consideration before the end of May. We must act fast to protect our wounded and sick veterans. Remember friends when the thousands of disabled veterans receive "greetings" from their respective draft boards they went forward, they performed their duties honorably, we just must not let them down.

The next regular post meeting will be Thursday May 28 at 8 p.m. All members please come.

The Ladies Auxiliary will sponsor a pinochle card party next Saturday evening, May 23. These parties have become very popular and everyone who likes to play pinochle is invited.

Next Friday evening, May 22 will be another games nite at 8 p.m.

Poppy Day will be observed Friday, May 22, in Mokena. The Ladies Auxiliary will be in charge and we urge everyone to support this worthy cause.

Comrade Fred Hentsch who has been confined in Hines Veterans hospital for several days is much improved, and expected to be released soon.—Glenn C. Peterson, publicity.

Village Players
Donate \$100 Jointly
To Boy, Girl Scouts

Published here is a copy of a letter dated May 12 from Kathryn Owens, acting secretary of the Mokena Village Players, addressed to Mrs. Dean Rueckert representing the Mokena Girl Scouts, and Mr. Gerrit Swart representing the Mokena Boy Scouts:

"A letter dated May 1st, 1953 from the Mokena Village Players to the Girl Scout and Boy Scout organizations advised them of a donation of \$100.00 for camp equipment. May 7, 1953 Mr. Gerrit Swart telephoned Mr. George H. Bill's, chairman of

the committee representing the Village Players, and reported that the Girl Scout and Boy Scout representatives had met and reached a decision. Since the Girl Scouts needed a large single tent and the Boy Scouts desired "pup" tents Mr. Swart representing a 11 the Mokena Scout groups, recommended the amount be divided equally between the two organizations.

"From the very inception of the idea to donate camping equipment it had been the wish of the membership of the Mokena Village Players to have its own committee make every effort to secure most favorable prices, to select and purchase the camping equipment, and to make a presentation. In implementing this, it was agreed to receive suggestions from the Scout groups. There was not at that time any intent to divide the fund set aside for this gift nor to make the donation in cash."

"However, an exception was agreed upon by the committee. The fund was divided into separate cash grants, as a further expression of interest, cooperation and good faith, when it was learned from Gerrit Swart, acting as official spokesman for the combined Scout organizations, that the interests of the two organizations could be served best by so doing.

"It is therefore with great pleasure that the Mokena Village Players enclose their check for \$50.00 for camping equipment. We wish all the Scouts of the town, girls and boys alike the very best in good camping."

Legion Office In
Chicago, Hines, to
Have Saturday Hrs.

Perce F. Brautigam, department commander, announces the Service Department of the American Legion, 343 S. Dearborn street, Chicago, and the Legion liaison office at Hines will be open from 9:00 a.m. to 1:00 p.m. each Saturday, starting May 16.

This is an effort to make the services of The American Legion available to disabled veterans who normally cannot visit the office during the week; and also for the convenience of the dependents of deceased veterans who wish service of The American Legion.

The Legion office at Hines will also be open for the purpose of assisting sick veterans who might apply for hospitalization Saturday forenoon.

Snip 'N Snack 4-H

The Green Garden Snip N Snack 4H club held a pantry shower for Mrs. Ed. Boyle at the Green Garden town hall on May 9.

The party began by playing "crazy bridge". Prizes were awarded to Beverly Torok, first Mrs. Milton Krapf, second and third to Bonnie Torok. A delicious lunch was served at beautifully decorated table following the games.

Guests at the party were: Mrs. Milton Krapf, mother of Mrs. Boyle, the bride, Mrs. Robert Raworth, the bride's sister, Mrs. Kenneth Heisner, a cousin and a former 4Her, and Miss Shirley Barchardt, a former 4Her.

The next meeting will be held June 4, instead of June 6 at the Green Garden town hall.—Frances Kurima, reporter.

New Press Arrives

The new press for the Semmler Newspapers on which future issues of the Mokena News-Bulletin, Tinley Park Times and Orland Park Herald will be run arrived Tuesday morning, in sections. It took the entire day for Blaine Saxon's crew of five men to unload the various parts, which is easily understood, as some of the "packages" which came in the big truck weighed as much as 3 tons. Total weight of the press is 13 tons. A break in some of the hoisting machinery during the afternoon delayed operations for several hours.

Your paper has been late for the past several weeks due to circumstances beyond our control, but when this new automatic press is installed and in operation we will be able to meet schedules promptly. It will require at least a month to install the press, a job which will be done by experts in that field.

The new building in the rear of the present plant which has been constructed to house the new press has been completed with the exception of the heating system, which will be installed during the summer.

ATTEND PM CONVENTION

Postmasters, Mrs. Katie Fink at Frankfort and Mrs. Margaret O'Brien at Mokena attended the State convention for postmasters at Rock Island last Thursday, Friday and Saturday. Mr. O'Brien also attended the convention.

While there Mrs. Fink stayed with her cousins, Mr. and Mrs. George Pesch.

NOTICE TO HOMEOWNERS AND CONTRACTORS

We furnish and install Coal, Gas and Oil heating systems. Also complete line of Sheet Metal, Cutters and Down Spouting.

FIRST to give you POWER STEERING!

NOW! STEER WITH FINGER-TIP EASE!

Never before has steering a big-capacity harvester been so easy! With Powerflow hydraulic steering doing the work for you, the Minneapolis-Moline Self-Propelled Harvester turns smoothly, surely, up-hill or down, in or out of ruts, at a touch of the wheel. You stay fresh longer... get more done than ever before.

Powerflow steering is another in the long, long list of exclusive MM "firsts"—farm-proven advances that year after year make MM Harvestors outstanding for low-cost, high-profit harvesting.

SEE THESE NEW MONEY-MAKING ADVANTAGES!

1 VARIABLE SPEED HYDRAULIC DRIVE—change ground speed from 0 to maximum mph, without declutching, without changing speeds of sickle, pick-up or cylinder.

2 NEW DOUBLE ROLLER CHAIN DRIVE—positive drive—easy speed changes.

3 NEW ENGINE PERFORMANCE with higher compression ratio.

4 NEW ROLL-BACK BRAKE—less pressure on gears, easier shifting.

5 NEW OVER-RIDING CLUTCH.

6 NEW STEEL-SLAT FEEDER RADDLE CONVEYOR.

7 NEW STRONGER FEEDER-FINGERS.

8 NEW ONE-PIECE CUTTER BAR.

COME IN, SEE THE MM SELF-PROPELLED POWERFLOW HARVESTOR THE NEXT TIME YOU'RE IN TOWN!

WASHINGTON AND

"SMALL BUSINESS"

By C. WILSON HARDER

It's an old adage, "Give a calf enough rope and he'll hang himself".

It applies to bureaucrats too, as witnessed by current uproar over firing of Dr. A. V. Astin as head of Bureau of Standards by Commerce Secretary Weeks.

Secretary Weeks acted to uphold a deep seated American principle that a man is entitled to a fair and square trial before reaching a verdict.

But Dr. Astin decided to hang a small manufacturer out in Oakland, California, without benefit of trial. This manufacturer developed a product which he felt served a purpose: a belief shared by many customers including the U. S. Government who over a period of years liked the product so well it was used in all equipment going to Korea.

Under Dr. Astin's direction the Bureau of Standards decided the product though harmless, has no merit, on basis that products in past designed to do the same job did not have merit.

The insistence of the manufacturer to operate in the face of the Bureau, so infuriated the bureaucrats that the full guns of bureaucratic machinery were turned against the small manufacturer.

The Post Office stamped "Fraud" on the firm's mail. To the credit of the Postmaster General, he stepped in and stopped such action.

But as soon as Secretary Weeks fired Dr. Astin, government em-

ployed scientists raised a mighty hue and cry.

Secretary Weeks says he is not a scientist, and while pointing to conflicting views by many scientists on the product, confines his viewpoint to a condemnation of the procedure used.

The Oakland Better Business Bureau, zealous for the public interest as all Better Business branches, found no complaints from users. Secretary Weeks also feels non-harmful products should be allowed trial before jury of public approval.

But with belief in the Divine Right of Bureaus, this view is fought by entrenched bureaucracy.

While the uproar over the Dr. Astin's firing is based on this one case, Secretary Weeks believed there were many other cases of high-handed action. In government one incident does not cause dismissal any more than one swallow makes a summer.

There is ample evidence to disprove bureaucratic infallibility.

In the 1800's the then Commissioner of Patents recommended closing the office because "everything worthwhile that can be invented has now been invented."

In taking action in this case, Secretary Weeks has furnished independent business with the first tangible evidence of Administration's intentions to give independent enterprise a fair opportunity in the market place.

He has acted much as the honest, impartial sheriff acts when breaking up a lynching party, determined that before any action is taken, a fair and square trial of the evidence will be held. He shows determination to stop bureaucratic lynching of independent enterprise.

C. W. Harder

itual life and Mrs. Arthur Shoop, student work.

Mrs. Roy Lembke is ill in her home with the measles.

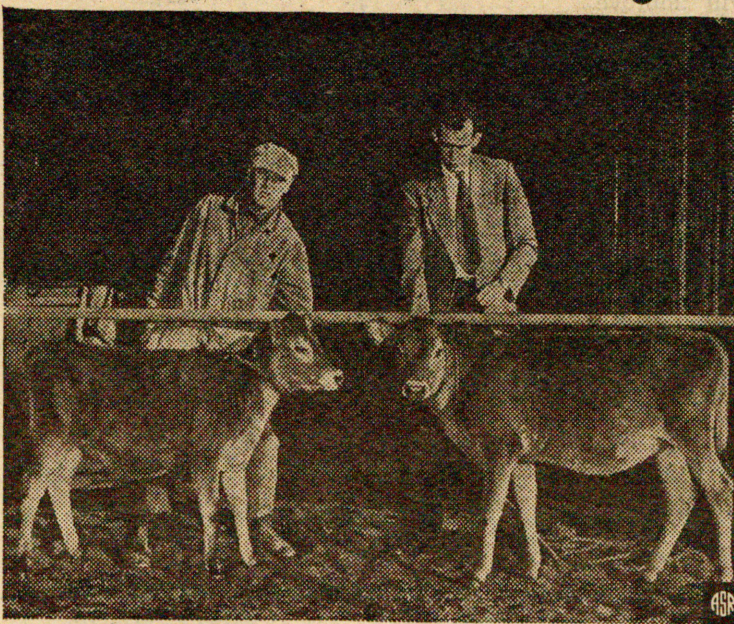

Mrs. William Lauffer who is a patient in Silver Cross hospital is somewhat improved.

Mrs. J. H. Moore of Ashton who was quite well known in Mokena due to her many visits here with her daughter, Mrs. T. Arthur Shoop and family passed away last Friday. Mrs. Moore had suffered a paralytic stroke a short time ago and recently it became necessary to amputate a leg. Funeral services were held in Ashton Monday afternoon.

Delores Anderson
Phone 3651

Mrs. Leonard Anderson received word from her parents, Mr. and Mrs. W. A. Walsh who have summer cottages at Saugatuck, Mich., that their friends, Mr. and Mrs. Barry of Waco, Texas, who had rented one of their cottages for the past three years, and had reserved a cottage for this July were victims of the tornado in that city. Mr. Barry and his 18 year old daughter were killed.

Which Got The Wonder Drug?

Each of these calves, owned by Hiram Hoag of Johnson, Vermont, is four months old. The difference is that the bigger, thriftier one was fed an aureomycin supplement, a product of Lederle Laboratories Division of American Cyanamid Company, from the day it was born until it was three months old; the other had no aureomycin. With Mr. Hoag is Ian Pritchard, right, of the University of Vermont which supplied the aureomycin used in a statewide series of such feeding experiments by Vermont farmers.

The junior choir of St. John's church, numbering 24, enjoyed a picnic at Highland Park near Joliet Saturday. A full program of activities included a soft ball game, badminton and various contests.

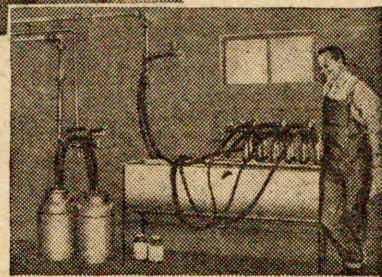

The WSCS of the Methodist church met with Mrs. Amanda McGovney last Thursday afternoon. On arriving at the meeting each was presented a corsage of lilly-of-the-valley and violets. An orchid corsage was given to the oldest member present, who was Mrs. Mae Janes. The society made a gift of \$1,000 to the new church fund. Election of officers was held, which resulted in re-electing those in office. They are: Mrs. Roy Erdman, president; Mrs. Ralph Howell, vice president; Mrs. James Fassett, secretary; Mrs. Hugo Niethammer, treasurer; Mrs. John Balaz, spir-

MECHANIZED—ALL THE WAY!**Mechanized... PIPELINE MILKING**

Just attach the teat cups of the De Laval Combine Milker to the cow—the milker does the rest of the job of carrying, pouring, straining and, if desired, weighing each cow's milk. When milking is finished, your milk is already in the 40-qt. cans or farm tank.

Mechanized... "IN-PLACE" CLEANING

When milking is finished you can stand in your milk house and quickly and thoroughly wash and sterilize the De Laval Combine "in-place"—for this job, too, is now completely mechanized.

De Laval Combine Milkers, installed either in the dairy barn along the stanchions or in a separate milking room, provide completely mechanized milking. They milk fast and clean, offering all the advantages of De Laval's famous De Laval Magnetic "Better Milking." The milk is conveyed by vacuum through sanitary glass or stainless steel pipe directly to milk cans or refrigerated farm tank. On the way, it is automatically filtered and each cow's milk can be individually weighed, if desired.

After milking, the entire system can be quickly and thoroughly washed and sterilized "in-place" from the milking room! No more time-consuming "wash-up," thanks to De Laval engineering which has now completely mechanized this part of the job, too!

For pleasanter, more profitable one-man dairy operation, see us today.

CARD OF THANKS

I wish to express my sincere thanks to all who so kindly remembered me with cards, letters and personal calls during my recent illness.

MRS. THOMAS WHEELER

Mrs. Harvey Cooper, chairman and her co-workers, of the bake sale held Saturday in Loebe's store, sponsored by the Methodist church, wish to express their thanks and appreciation to all who contributed to the sale and helped in any way to make this sale such a success. \$72 was realized from this sale, the proceeds of which will be used toward new robes for the choir.

Thanks also go to Loebe's store for allowing the space for this sale.

Mrs. Harry Heiting has been on the sick list the past week. She is some better.

Mrs. John Barton who has spent several weeks at a rest home in Milwaukee, suffering from a nervous ailment, is home and improving nicely.

Joseph Krob, Jr. who is stationed at Ft. Louis, Wash., called his mother on Mothers Day.

Lilah Kruspe, director of 8th District, the American Legion auxiliary, Emily Zerbs and Lilian Knox, members of the Orland Park unit 526, attended the board meeting of the district, Wednesday evening, May 13 at the Harvey Legion club rooms.

Martha Robson, daughter of Mr. and Mrs. Ray Robson is on the sick list. She had to miss her classes in school off and on during the winter on account of

illness. We hope that with warm summer weather, her health will improve.

Mrs. Frank Ratudde of Birchwood, Wis., was a guest Mother's Day of her daughter, Mrs. Elmer Libner. She spent the week in Orland and has returned to her home.

The all day meeting of the WS CS of the Methodist church will be held in the home of Mrs. B. J. Rooth on Will-Cook road, Thursday, May 28. Election of officers will be held. Friends are cordially invited.

The executive board of the Orland Park Woman's club met in the home of the president, Mrs. Sigmund Smith, Monday night, May 18 for the purpose of appointing department chairman.

Santa Fe Park To Be Scene of Many Races This Summer

The dream of an early Illinois pioneer has become the source of entertainment for thousands of people throughout the state. When the Illinois and Michigan canal was dug in 1892 Fred Tiedt, who was 22 at the time, conceived the idea of erecting a tavern as a source of entertainment for the men digging the canal. The early pioneer thus founded Tiedville, a small unincorporated community near Santa Fe Park, which he erected in 1896. The park featured a race track with two grandstands. Early Illinois residents came in trainloads to view the races. Santa Fe Park is located at 91st St. and Wolf road in Willow Springs.

The great founder of Tiedville and Santa Fe Park died in 1946 but his work has been carried on by his son Howard. Young Tiedt, a 1939 graduate of the University of Illinois, has managed the park for the past six years. Early this year with the aid of college and war buddies he established Santa Fe Park Enterprises, Inc. As president of the group he began a reconstruction program on the race track.

The old track has been re-

vamped with modern, earth-moving equipment. Two tracks have been laid out, a quarter mile and a half mile, the latter being the longest track in Chicago designed for new car and Indianapolis type races.

Four thousand feet of fence surround the track. The grandstand seats 8,000. Some of the greatest names in stock car racing will be featured this summer at Santa Fe Park, the same reckless speeders who were featured last year on TV, and who will be seen this year again from the 87th St. Speedway. Races will be held each Sunday afternoon at 2:30 starting May 17. Additional races will be featured on Friday nights, beginning June 3. Midget racing will be held on the first and third Wednesday nights of each month.

New cars directly off the assembly line, will compete in gruelling 100 mile races. Big car racing, such as held at Indianapolis, will be another added attraction.

Howard Tiedt has announced that Santa Fe Park will offer all forms of entertainment during the summer months, including rodeos, the circus, a stage review from Silver Springs, Fla. and the Joe Chitwood Thrill show. These added attractions will offer a well rounded program to all residents of the state.

Mama Rinso has a baby!

"Doc" Lever proudly announces the birth of Rinso DETERGENT!

Rinso Detergent has all advantages of best detergents and contains SOLIUM

MAMA RINSO SOAP is the most popular washday soap in the world. And it's our bet that the new baby will soon be the most popular detergent.

Rinso "D" (D for Detergent) dissolves instantly, makes huge quantities of fragrant suds, cuts grease and leaves no scum—even in the hardest water! Tests prove that Rinso "D" washes about twice as many dishes as today's largest selling detergent! And Rinso "D" washes clothes whiter than new—thanks to SOLIUM!

Tear out the coupon at right. It's worth 15¢ at your grocer's on the purchase of Rinso "D", Rinso soap or both. P. S. Both Rinsos are guaranteed by Lever Brothers, of course.

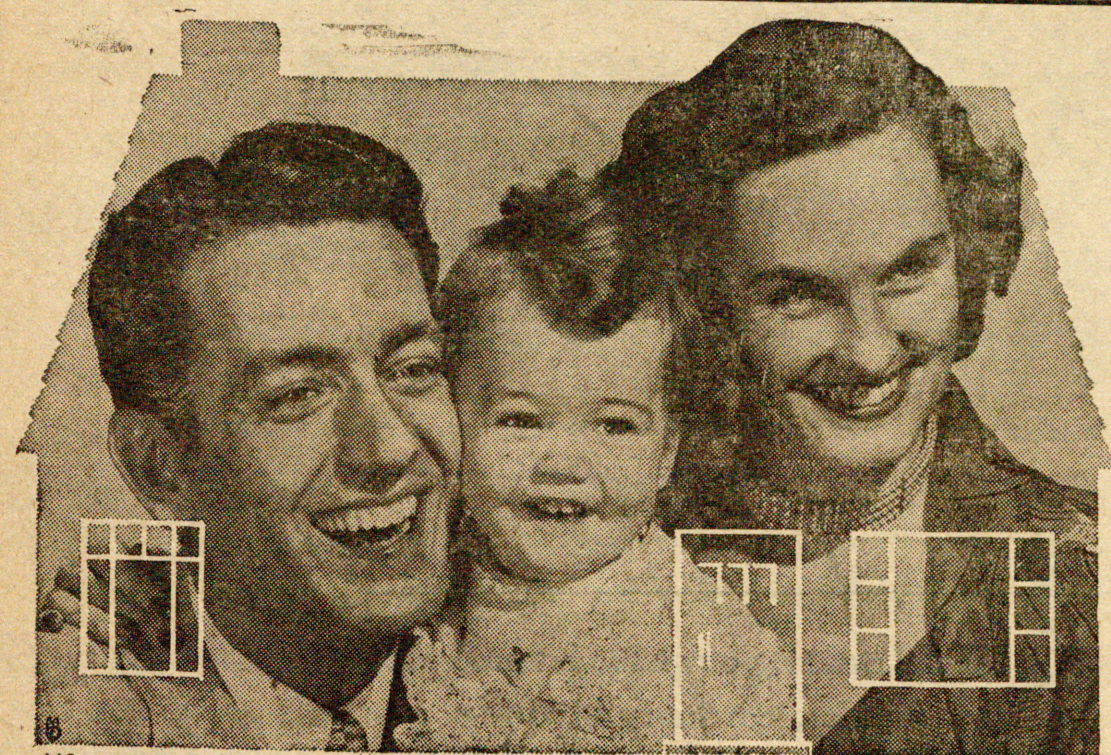

LOOK! Birth Certificate worth 15¢

TO INTRODUCE YOU TO THE NEW BABY—AND THE MOTHER

To Dealer: Our salesman will redeem this coupon for 15¢ only from you directly or from an agent authorized in writing by Lever Brothers Company, provided you and the customer have complied with the terms of this offer. Any sales tax must be paid by customer. Void in any place where its use is prohibited, taxed or restricted by law.

To Consumer: This coupon good for 15¢ toward purchase of any combination of two large packages of Rinso Detergent and Rinso Soap or toward the purchase of one economy size package of either product. Cash value 1/20 of 1¢. Not transferable. \$100 reward for information resulting in conviction of any person fraudulently using this coupon.

CARD OF THANKS

I wish to extend my sincere thanks for the many lovely cards and gifts sent me by my friends and neighbors during my recent stay in the hospital, and to the boys of the VFW Tinley Park Post 2791.

MRS. ARTHUR KEUCH.

IN MEMORIAM

YUNKER, George.—In fond remembrance of our dear husband, father, and grandfather, on his birthday May 25.

To the infinite garden of heaven,
To the land where the angels dwell,
We are sending our birthday greetings,
To you whom we love so well.
You are having this birthday without us
In the land that is free from care.
So our token of love and remembrance,
Is sent to you in prayer.
Your loving wife
EMMA and FAMILY

IN MEMORIAM

KEUCH, Carrie.—In loving memory of our dear wife, mother and grandmother who passed away May 22, 1951.

There are some who miss you sadly,
And find the time long since you went;
The same who think of you always,
And try to be brave and content.
Gone is the face we loved so dear,
Silent the voice we loved to hear.
Tis sad but true we wonder why
The best are always the first to die.

HUSBAND, CHILDREN, and GRANDCHILDREN

A son was born to Mr. and Mrs. William Mancke in Ingalls Memorial hospital at Harvey Thursday, May 14. He weighed six pounds 13 ounces and has been named Scott Phillips.

Mrs. Florence Phillips, fourth grade teacher of the Tinley Park school, will leave this evening to attend a reunion of her teachers college class in Penn. She will return next Thursday.

Harold Clement, teacher and athletic coach at the Tinley Park school, rewarded the members of the athletic teams with a trip to Cubs park, Saturday to see the Cubs-Pittsburgh game. Two other teachers, Mrs. Jean Rauboff and Mrs. Eloise Childress accompanied the students and Mr. Clement on the bus trip. The eighth grade class went by bus Saturday on the annual Springfield outing, stopping to do some sightseeing at New Salem, and the Indian mounds. They spent the night at the St. Nicholas hotel in Springfield, returning home Sunday. Twenty eight students made the trip chaperoned by their Supt. Mr. Fierke, and their teacher Mrs. Helen Sandidge.

Mr. and Mrs. Hal Kent entertained the former's cousins, Mr. and Mrs. Wm. Caverly, and son Chuckie, from Howell, Mich., on Saturday.

A demonstration was held at the home of Mr. and Mrs. Henry Javor Tuesday evening, with Mrs. Wm. McBurney as hostess. There were eight guests present. Cake and coffee were served at the close of the evening.

A surprise housewarming was recently held in honor of Dr. and Mrs. J. L. Gonzalez who moved into the Ed Ryan home on Oak Forest ave. a short time ago. The party was attended by approximately 40 guests, most of whom were colleagues of the doctor. The Conga and Rumba were among the dances enjoyed

ed by the guests. A buffet supper was served.

Mr. and Mrs. Charles Schara and children Billy and Rita have just returned from a 10 day trip to Hot Springs, Ark. They enjoyed sightseeing around that part of the country. Enroute they stopped two days in St. Louis to visit with the former's sister, Sister Mary Georgiana who is a pharmacist at Mt. St. Rose hospital.

George Philippo, manager of the meat department at the National Food store, was the lucky winner of a Whirlpool washer and dryer Wednesday night at a card party held at the St. Francis hospital in Blue Island.

Mrs. John Swisher and Mr. and Mrs. Dallas Webster attended the "Wake of the News" contributors club birthday party, May 15. An interesting and amusing evening was enjoyed after the banquet. All contributors were asked to write birthday greetings in verse, which they read.

Mr. and Mrs. Wesley Swartz of Detroit, Mich. spent Saturday with the former's uncle Wm. Funk and wife, and also with Mrs. Elizabeth Hardinger. They returned to Detroit Sunday morning.

Mr. and Mrs. Omar C. Ebenhack returned last week from an automobile trip to Atlanta, Ga., where they visited with Mr. and Mrs. John J. Pershing, the latter being a niece of Mr. Ebenhack.

A double birthday celebration was held in honor of Mrs. Alfreda Rippe, the former Alfreda Willman, and Mary Jane Willman, daughter in law of Mr. and Mrs. Fred Willman, Sr., in the St. Willman's home. Also present were Norma Rippe, and Fred Willman, Jr., husbands of the honored guests, and their children, Fred Dale, Debbera, and Teddy James.

Leslie Johnson who was a patient in the Chicago Osteopathic hospital in Chicago for two weeks returned home Sunday, feeling improved in health. Mr. Johnson was suffering with a back ailment.

Saturday the Orchard Hill day's day. The fathers of the children will be guests at the school and enjoy a special program given by the small "students".

The Great Books group will gather in the home of Mr. and Mrs. Leslie Johnson, Sunday afternoon at 1 o'clock for a pot luck picnic dinner. This affair is a farewell party for Mr. and Mrs. Michael Borge, members of the group, who are moving to Evanston. If the weather is unfavorable for outdoor activities the pot luck will be held at 7 p. m. in the Johnson home.

Mrs. Holly Johnson, and mother, Mrs. E. Whetherhult, of Chicago, and June Hutchins, of Tinley Park, returned recently from a 10 day visit to Havana, Cuba. They left Tinley Park April 27 and flew from Florida by Cuban Airlines. They also traveled 200 miles into the interior, and had a great deal of difficulty in procuring food, due to their inability to make themselves understood. Spanish is the only language spoken there. They went fishing at one of the Florida Keys, and caught a Baracuda. On their return they stopped at Washington, D. C. and were present at a session of the United States Senate. They had many interesting and unusual experiences and enjoyed the trip very much.

Mr. and Mrs. Ervin Funk and daughters Sherry and Wanda, Mr. and Mrs. Elmer Knudsen and daughter Diane, enjoyed dinner at the Homestead in Blue Island, Sunday, in honor of the twentieth wedding anniversary of Mr. and Mrs. Funk.

The South Suburban council of the school for Retarded children, wishes to express their appreciation to all who helped to make their recent dance a success, and also to those who donated articles for the rummage sale.

Zion Lutheran Ladies Aid
Zion Lutheran Ladies Aid met May 6. In the absence of president, Mrs. Ed. O'Neill, Mrs. Randolph Hahn presided. A hymn was sung and a psalm read, in honor of our departed member, Mrs. J. Buddenhagen. Committee reports were given. The rug committee is still active and would appreciate receiving rags for the rugs. The aid decided to hold a bake sale in Vogt's store, May 22. Mrs. Hahn read a letter received from Pvt. Fulton, who said that he appreciated the letter from her very much. Two women are needed to correspond with service men for the month of June. Volunteers are needed. The meeting was closed with a Mother's Day song and doxology, and a birthday song. Program chairman, Mrs. William Rick, read a Mother's Day poem, and Mrs. Hahn sang a song in honor of Mother's Day. A game was played with prizes awarded to winners. A geranium was given to the oldest mother, Mrs. Minnie Goessel, and one for the youngest mother, Mrs. James Darby. The entertainment committee gave each member a potted Begonia plant for Mother's Day. Delicious cake and coffee were served by the hostesses, Mrs. Fred Goessel, Mrs. Melvin Rensink, Mrs. R. Hahn, Mrs. William Mohr, and Mrs. C. Carlson.—Mrs. James Darby, pub.

The Mission Guild of the Zion Lutheran church met Monday evening in the parish hall at 8 o'clock. Scripture reading and prayer were led by Mrs. Norman Barr. The business meeting was conducted by Mrs. John Devlin, president. Bible study was led by Mrs. Marvin Vogt.

Intermediate Girl Scout troop 334 enjoyed a cook out in the

Tinley Park Creek woods, May 16. The Girls planned the menu; did the purchasing; built the fire; prepared the food and served it. Following the cleanup, games were played. The Scouts along with their leader, Ruth Jochum and coleader, Helen Funk had a wonderful time and look forward to another out door activity with the warm weather here. The next important meeting planned is a Fly Up ceremony. This will be held May 26 out of doors, weather permitting.

Servicemen's News

Pfc. Kenneth J. Fulton, US 55183350, was honorably discharged from Army Service at the Signal Quarters, at Fort Monmouth, New Jersey, May 16. His wife Dorothy and cousins, Mr. and Mrs. Earl Moss of Mokena, went by car to pick him up at his base, and from there are going to New York and Washington, D. C. to do some sight seeing. They will return home May 21.

Correction in address: Afc. Henry E. Voss, AF 16370125, 5039th. Warehouse Sqd. APO 942, care of Postmaster, Seattle, Washington.

Francis A. Cupp, son of Mrs. Norman Hansen, arrived home Saturday for a week's furlough from the navy. He is in the radar and Fox division, and has been serving overseas. He will leave this Saturday for his new station in Boston.

From where I sit ... by Joe Marsh

PTA Gets Stung by a "Bee"

The local PTA is feeling sheepish today. Seems they complained the youngsters weren't learning enough. Said they couldn't even spell. So the kids challenged them to a spelling bee.

"I was captain of the PTA's," "Doc" Brown told me. "Both teams made the first round just fine. But on the second round Speedy Taylor went down on 'efficiency.' Then his boy Chip, who happened to be next on the school team, rattled it right off. From then on it was murder!"

So now "Doc" says that the

whole PTA is thinking of signing up for night school!

From where I sit, it always pays to look and think before you leap to conclusions. Take those folks who would deny me a temperate glass of beer without a moment's thought. They wouldn't want me to interfere with their personal preferences for, say, buttermilk. It's a good idea to think twice before you "spell out" rules for your neighbor.

Joe Marsh

SLASH BALING TIME and COSTS... MAKE BETTER BALES

...with a JOHN DEERE Automatic Baler

On every count—speed, economy, and better work—the John Deere Automatic Baler is your best buy.

The fully-automatic John Deere speeds up work by handling the entire baling job in a fast, non-stop trip. It slashes baling costs to the core by cutting the baling crew to one man—the tractor operator . . . by reducing field time through greater capacity

and field dependability. And, bales are better . . . for feeding or selling. They're wire-tied to stay tied in handling and over long hauls . . . sliced for easy feeding . . . of commercial size and shape to store compactly or find a ready market if you have hay to sell.

See us for complete details about the John Deere Automatic Baler.

BABSON SAYS—

Copyright—1953—Publishers Financial Bureau, Inc.
Babson Discusses Research and the Importance of the Individual.
 Babson Park, Mass., May 14
 Inquiries constantly come to me asking for some way to prevent more World Wars. Instead of answering these letters personally, may I give my answer in this week's column?

Military Strength
 Ninety-five per cent of the politicians of every nation appear to believe that the only means of keeping their country out of war is to have a bigger army, a more powerful navy, greater air force and the most atomic bombs. Of course, this is not the answer. It is like trying to cure an alcoholic by giving him more drinks.

In fact, 2000 years ago Jesus stated: "For all they that take the sword shall perish with the sword." History shows this to have been 100% correct. Any reader who doubts this need only read the lives of the great-

est military leaders such as Alexander the Great, Cyrus Caesar, Genghis Khan, Mohammed, Ivan the Terrible, Cromwell, Napoleon, Bismarck and Hitler.

What Jesus Taught 2000 Years Ago
 Thereupon the preachers tell us that pacifism and disarmament are the answer, failing to talk about the Old Testament which was the only Bible that Jesus knew or used. When Jesus preached about "disarmament", He assumed that justice, mercy and intelligence would be substituted therefor. The fact is that if we read the books of the Bible in the order in which they were written we see that Jesus was talking about the Kingdom of God based upon righteousness and fairness to a people.

Today, I see a possibility of World Peace. This will not be brought about alone by the priests and preachers, however earnest and necessary they are. The foundation for the Kingdom of God is being built by the teachers, scientists and inventors. These include mathematicians, physicists, chemists, metallurgists, psychologists and all others working for humanity in the laboratories of every nation. These men and women are making discoveries which may assure the people of all nations health, intelligence, prosperity and happiness. These are the people whom Jesus would praise were He here today.

Whom Have We to Thank?
 Strange to say, we have the big corporations—many of which the U. S. Justice Department is persecuting—to thank for the recent great progress. Last year, over \$3,500,000,000 was spent in the United States alone on research to make the world healthier, more intelligent and happier. Two-thirds of this amount was spent by corporations whose stocks are traded in so-called "Wicked Wal-

Street". The remaining third consisted mostly of Government appropriations for which we may praise or belittle Franklin D. Roosevelt and his kind-hearted wife. But the corporations themselves did not make the discoveries—it was some of the 250,000 individuals in their employ.

The electrical machinery and aircraft industries each spent over \$400,000,000 on research. The chemical industry (which gave us the wonderful drugs that are blessing humanity today) and the motor vehicle industry each spent \$200,000,000 on research. In addition, there are many private funds, such as the Rockefeller Foundation and the new Ford Foundation. Yale University has just set up a Fund of \$6,000,000 for research in connection with the mental cases which are flooding our hospitals and which many believe are as unnecessary as smallpox and cholera plagues.

Opportunities for Small Businesses
 Above I mention only big cor-

porations, but I find that some of our most important discoveries have been by small businesses employing only a few men. Furthermore, I find that many of their humble workers just stumbled onto their discoveries while hunting for something else. Hence, in the last analysis, all our blessings have come from humble individuals, most of whom we have never heard of. Therefore, I use every opportunity to appeal for the praying individual, whatever his race or color, whether rich or poor. Far too much attention is given by "educators" to "Ph. D.'s" and other degrees. In doing so, I believe they are retarding rather than advancing research.

Great changes are ahead. Whatever may happen during the next few years, I am a great optimist as to the future of our grandchildren. The atomic bomb is not going to destroy the world; it will free the world. It has already started a new line of thinking. We will enter a period when our newspapers

will no longer feature "cold wars" or "hot wars", but will again feature new discoveries. Men like Caxton who pioneered the printing press (1475) which opened the minds of men. Eli Whitney who invented the cotton gin (1793) which developed a great export trade, James Watt (1769) and Isaac Merritt Singer (1851) who spurred the industrial development of the United States, Thomas Edison, Henry Ford and John D. Rockefeller who laid the basis for America's present prosperity. We also should remember Pasteur to whom all owe much of our health and happiness.

Will We Have World War III?
 World War I did not accomplish anything except to lead to World War II. Even this second World War, every nation lost. Yet we are now discussing World War III. Only Research and Religion can prevent World War III. If Communism had not denied God and Truth, it might now win; but having chosen the sword, it will surely die by the

sword.
 Our politicians foolishly talk about "Guns versus Butter." Instead, we should talk about "Guns versus New Ideas". For either of these to be useful, we are dependent upon humble individuals. Such people may be found in any community. We should encourage them, never laugh at them or ask them if they have a college degree!

NOTICE

Arrangements have been made to have Dr. Robert Lawrence come to Orland Park for the purpose of inoculation of dogs for all owners who wish this service.

Dr. Lawrence will be at the village hall Saturday, June 6th, between the hours of 3 pm. and 5 pm.

A fee of \$1.00 will be charged, but this amount can be applied against the cost of a dog license, upon presentation of the doctor's certificate when the license is purchased from the vil-

lage clerk.
